**Mayor Uses Shovel to Un-
cover Evidence of
Explosion**

**FIVE STATE DEPUTIES
AID IN PROBE**

**Coroner's Inquest Starts To-
morrow**

VICTIMS ARE RECOVERING

**Holes In Which Dynamite
Was Exploded Discovered
Near Building By Mayor
and Cracks Found In the
Foundation—Probers to
Fix Responsibility for the
Disaster.**

(ASSOCIATED PRESS TELEGRAM)
Akron, May 17.—State Deputy
Building Inspectors Albert Bates of
Elvira, and A. B. Hulls and Frank
Christian of Columbus are ready to
begin their investigation of the col-
lapse of the Crystal restaurant.

Charles Miller and J. D. Schek-
ler, state deputy fire marshals, ar-
rived late Tuesday night from Colum-
bus. The inspectors were ordered
here by State Fire Marshal Bert B.
Buckley to assist local authorities
in placing responsibility for the ac-
cident.

"Two things in particular we shall
try to learn," said Alfred Bates.
"One of these will be to determine
whether the walls of the building
were sufficiently strong to support
the building under ordinary strain
before the accident. If we find that
they were we will then try to learn
whether the dynamite blasting was
responsible for the collapse."

All of the injured at hospitals
were reported to be recovering Wed-
nesday morning. The death list re-
mains at nine.

For 15 minutes Mayor W. J. Laub
shoveled debris and sand alongside
the wrecked restaurant, in search for
holes made in the rock by excavators
for the insertion of dynamite. Four
holes were uncovered by the mayor
that were not more than six feet
away from the walls of the building.
Three inch cracks from the blasts ran
from two of the holes directly
into the building.

Coroner E. S. Lyon announced to-
day that he will begin his inquiry
into the accident Thursday morning.

**NO INDICTMENT
FOR WOMAN WHO
SHOT FINDLAY MAN**

(ASSOCIATED PRESS TELEGRAM)
Findlay, O., May 17.—The spe-
cial session of the grand jury late
yesterday found no indictments al-
though it thoroughly examined the
case, in the alleged shooting of Nor-
ris H. Powell by Miss Ada Warner
here last November. Powell, it is
alleged, refused to marry Miss War-
ner after keeping company with her
for several years. His shooting fol-
lowed and Miss Warner is said to
have attempted to end her own life
with a razor. Both recovered.

**ALABAMA MEN
RAID GIRARD
FOR LIQUORS**

(ASSOCIATED PRESS TELEGRAM)
Columbus, May 17.—A special
train of deputies arrived here today
under instructions from the attorney
general of Alabama to confiscate any
liquor found in Girard, Ala., just over
the line. This morning they en-
tered Girard from two sides,
armed with search warrants and be-
gan their work. It has been reported
that large quantities of liquor
were stored in Girard when Alabama
went dry.

GRENADE ATTACK FAILS.

(ASSOCIATED PRESS TELEGRAM)
Paris, May 17.—German troops
made an attack with grenades last
night on French positions in the vi-
cinity of Dead Man's Hill. The ef-
fort failed, the official report of to-
day says.

**Cruiser San Francisco Runs
Aground Near Boston; Eight
of Crew Are Reported Lost**

(ASSOCIATED PRESS TELEGRAM)
Boston, May 17.—The United
States cruiser San Francisco now
serving as a mine laying ship, was
aground on a shoal in Nantucket
sound for several hours early today
in a gale during which it was re-
ported she lost a whaleboat contain-
ing eight members of her crew. The San
Francisco floated later without as-
sistance and was not greatly damag-
ed. Observation from the cruiser
was impossible because of the rain
and the fate of the eight men re-
ported missing could not be learned.
Advice regarding the whaleboat
and its crew were uncertain. Mes-
sages saying they were lost were re-
ceived at two stations while offi-
cers of Charleston navy yard which

**PAYS TRIBUTE TO
AUSTRALIAN DEAD**

Prime Minister Hughes.

Mr. Hughes, prime minister of
Australia, sent the following "Anzac
Day" message to the newspapers of
the Commonwealth: "With a full
heart, the Australian nation today
pays tribute to its heroic dead. We
grieve with those who loved them,
but glory in the manner of their
death. This is the tribute they
themselves would most have wished.
For gladly they faced and met death
that by their sacrifice their country
and its liberties might be saved."

WILSON

**IS SOLIDLY SUPPORTED BY
MICHIGAN DEMOCRATS IN
STATE CONVENTION.**

**Wood-Shields Faction In Complete
Control of Convention—Presi-
dent Is Praised For Courage**

(ASSOCIATED PRESS TELEGRAM)
Lansing, Mich., May 17.—Demo-
crats of Michigan, solidly supporting
the renomination of President Wil-
son met in state convention here to-
day. The gathering was extremely
harmonious but uneventful. Each
of the 13 state districts will elect
two delegates and two alternates to
the national convention. Four dele-
gates at large and four alternates
also will be named.

The overwhelming victory which
supporters of national commit-
tee-man E. O. Wood, of Flint, won at
the April primary, when Wood was
renominated, indicated that the
Wood-Shields faction was in com-
plete control of the convention.

Lauding President Wilson as the
man "who with infinite patience,
quiet courage and mastery of ability
and without the sacrifice of national
honor, has successfully guided his
country through storm and danger,"
Congressman Frank E. Doremus, of
Detroit, chairman of the democratic
national campaign committee, as
temporary chairman addressed the
convention today.

His speech, which was regarded
as the keynote of his party's cam-
paign in the state, was replete with
comparison of republican policies
and democratic practices.

Referring to Mexico Mr. Doremus
said:
"It may be that we have to in-
tervene in Mexico, but if we do it
will be in response to a grave na-
tional duty and after every honora-
ble means has been employed to
avoid it."

**TWO NEGROES ARE
HELD IN TOLEDO
FOR BURGLARIES**

(ASSOCIATED PRESS TELEGRAM)
Toledo, May 17.—Following a gun
battle early this morning the police
arrested two negroes accused of bur-
glarizing a score of homes in the
fashionable west end district within
the last two weeks. The prisoners
are Robert England and Sylvester
Graynard. Graynard was captured
only after he had been shot in the
shoulder.

The police found in possession of
the men rare coins stolen from the
home of Joseph Pearlstein, theatrical
manager, three gold watches, valu-
able rings and much other jewelry
identified as having been stolen from
homes of wealthy citizens in the dis-
trict which has been terrorized by
nightly burglaries and holdups.

As Yet**

MISSION OF SEC. GREW

**Of American Embassy In
Berlin Who is Enroute to
the United States is Not
Known, White House Of-
ficials Say—Suggested He
Bears Message From Em-
peror William.**

(ASSOCIATED PRESS TELEGRAM)
Washington, May 17.—President
Wilson has replied to the message
sent him recently by Pope Benedict
in which the Pope expressed the
earnest hope that war between the
United States and Germany would
not be precipitated by the subma-
rine issue and conveyed the impres-
sion that he hoped the United States
might be of assistance ultimately in
restoring peace to Europe. The re-
ply of the president was conveyed
through Monsignor Bonzano, the
apostolic delegate here who deliver-
ed the pope's message to the White
House.

White House officials refused to-
day to discuss the pope's message or
the reply of the president but in
other quarters it was indicated de-
finitely that the exchange of mes-
sages had only remotely to do with
the question of peace in Europe.

The president is understood to
have informed the pope that he was
very eager to keep the United States
out of the war and would do every-
thing possible consistent with main-
taining the honor and rights of the
United States. Neither message was
made public.

At the White House today it was
said that nothing was known of the
mission to this country of Secretary
Grew of the American embassy in
Berlin who is now on his way to the
United States. It has been suggest-
ed that possibly he might be bring-
ing a message from Emperor Wil-
liam to President Wilson.

**SOUP KITCHEN IS
POOR SUBSTITUTE
FOR EMPLOYMENT**

(ASSOCIATED PRESS TELEGRAM)
Indianapolis, May 17.—The last
meetings of the forty-third annual
session of the National Conference
of Charities and Corrections were
held today, the general session to-
night marking the close of what de-
legates and officers characterize as
one of the most successful confer-
ences ever held. More than 3,000
delegates have registered for the
daily discussions of subjects of inter-
est to social workers. The confer-
ence opened last Wednesday.

James Mullenbach, of Chicago,
who was one of today's speakers, de-
clared that there should be estab-
lished one center for the care, con-
trol and distribution of the "home-
less, unemployed group."

Samuel C. Kohs, psychologist of
the house of correction of Chicago
read a paper on "Berderline Cases
of Mental Defect."

Fred H. Johnson, general secre-
tary of the Associated Charities of
Boston said, "A soup kitchen is a
poor substitute for work. It is a
mass treatment of unemployment
and this is wrong," he said. "The
problem must be divided in order to
be conquered," he said.

**VETERAN DEFIES
COURT ORDER; HE
RETURNS TO JAIL**

(ASSOCIATED PRESS TELEGRAM)
Pittsburgh, May 17.—Christian
Lieberum, a civil war veteran, who
has already spent two years in the
Allegheny county jail for contempt
of court because he refused to obey
a court order to remove his old
home to make way for a public high-
way near McKeesport, has returned
to jail voluntarily and says he will
spend the rest of his life there un-
less the court changes its mind.
Three attempts have been made in
the lower courts to secure his free-
dom of writs of habeas corpus with-
out result. Recently his case was
appealed to the state supreme court
which sustained the lower tribunals.
Pending the appeal he was released.
When an adverse decision was hand-
ed down Lieberum, because of con-
scientious scruples, went to the jail
and gave himself up.

STRIKE IS SETTLED.

(ASSOCIATED PRESS TELEGRAM)
Hamilton, O., May 17.—The
strike of five hundred men at the
plant of the Mosler Safe company
was settled today and the men re-
turned to work. The terms of the
agreement were not made public.
The men demanded time and a half
for overtime and double time for
Sunday work. The small strike of
pattern makers at the Long and
Albatter plant was also settled to-
day.

LOOKING DOWN INTO DEBRIS AFTER THE AKRON CATASTROPHE

This picture shows how Crystal restaurant, Akron, Ohio, looked after it collapsed at the dinner hour last Monday evening, costing the lives of nine persons and injuries to many. The disaster was caused by the restau-
rant sliding into an excavation just north of it where blasting had been in progress. The street to the front is
Main street. Quarry street is to the left.

**Zanesville Trip Promises to Be Greatest
Inter-City Event Ever Attempted Here;
Procession Will Reach 10 Miles Along Pike**

If the weather man keeps his
word the roads leading into Zanes-
ville will be crowded tomorrow with
enthusiastic Newarkites, for the
forementioned official predicts that
it will be fair. Here's hoping the
gentleman is right.
At an enthusiastic meeting of the
Newark Auto Club last evening final
and complete arrangements were
made for the Zanesville visit. Over
250 machine owners have signed for
the run and that means that there
will in all probability be between
350 and 500 machines in line.
One prominent business man
including many farmers from vari-
ous sections of the county. This
will mean that the auto parade into
Zanesville will be at least ten miles
long as the machines must keep 150
feet apart, according to the rules

laid down by Tourmaster Dr. J. T.
Lewis, who will have charge of the
run.
Great interest is being taken in
the proposed visit by the business
men generally, members of the
Chamber of Commerce and the var-
ious lodges of the city. The Eagles
will have three decorated cars, the
Elks several, as well as the Moose,
K. of P. and Modern Woodmen. Ev-
erybody wants to go to Zanesville
and autos are in demand. Parties
are being formed to go down on the
interurban line and join in the mor-
ning-making at Zanesville. Everybody
is enthusiastic about the proposed
trip. One prominent business man
said last night: "I wouldn't miss
that trip for anything in the world,
as we are all going to get better ac-
quainted with the live wires and
good fellows in Zanesville and it's
going to do much to further cement

the good feeling between the resi-
dents of the two cities. It's just
going to be one big love feast and a
trip that we all will remember for
years to come.

Dr. J. T. Lewis, chairman of the
committee of arrangements and
tourmaster for the trip, is one of the
busiest men in the city. "You would
be surprised," he said, "at the inter-
est that is being displayed in the
Zanesville trip. My telephone is
busy every minute of the day with
anxious inquirers wanting to know
a hundred different things."
"One woman wanted to know if it
was to be a stag affair, and when in-
formed that we would receive mem-
bers of the fair sex with open arms
said that it was the case she
would go sure. Another woman
asked it it would be permissible to
take her children along and I in-
(Continued on Page 2, Col. 1.)

**WASHINGTON IS
RELIEVED OVER
BORDER PROBLEM**

(ASSOCIATED PRESS TELEGRAM)
Washington, May 17.—Genuine
relief over the Mexican situation was
evident in administration circles to-
day. The principal cause was the
assurance conveyed to President Wil-
son and his cabinet yesterday
through Secretary Baker that the
Carranza government now is con-
vinced the United States has no in-
tention of intervening in Mexican
politics, and that consequently re-
sentment against the punitive expedi-
tion is rapidly decreasing.

General Scott, chief of staff of
the army, brought this word to Sec-
retary Baker after his conference at
El Paso with General Alvaro Obre-
gon, war minister of the Carranza
government. Among the promises
made by General Obregon with the
approval of General Carranza at the
conclusion of the conference were these:

Ten thousand selected Mexican
troops were to patrol the territory
about Parral, the southernmost lo-
cality from which American troops
are being withdrawn, and to search
diligently for Villa or his bandits.
A strong Mexican force was to try
to capture the Glenn Springs and
Boquillas raiders in the Big Bend
district and to liberate Deemer, the
American storekeeper carried off by
the bandits.

No Mexican troops were to be
moved from Sonora state through
Dulit pass to the rear of General
Feshing's column.

General Scott's part of the infor-
mal pact did not include any promises
of American troop withdrawal at a
definite time.

General Scott expressed the opin-
ion that General Carranza and his
war minister have ordered speedy
troop movements in an attempt to
carry out their pledges.

UNUSUAL GAIN.

(ASSOCIATED PRESS TELEGRAM)
Cleveland, May 17.—The March
report of the Northern Ohio Traction
and Light company shows the
phenomenal gain in gross of \$112,-
400, an increase over March, 1915,
of forty per cent. Net income was
\$70,876 as compared with \$33,200
for March last year.

DAY IN CONGRESS

The congressional business for
today is thus summarized:
Senate.
Met at 11 a. m.
Took up army reorganization
conference report.
Senator Owen's corrupt prac-
tices bill was reported favorably
from the elections committee.
Rivers and harbors appropri-
ation bill debated.
House.
Met at noon.
Flood control bill under consid-
eration.

**CASEMENT IS
COMMITTED;
NO DEFENSE**

(ASSOCIATED PRESS TELEGRAM)
London, May 17, 4:32 p. m.—Sir
Roger Caseament and Daniel J. Bail-
ley were committed for trial today
for high treason.

This decision was reached at the
conclusion of the preliminary hear-
ing of these men on the charge of
participation in the Irish rebellion
which has been in progress since
Monday. The date of the trial and
the court before which it will be
held have not yet been announced.

The prisoners reserved their de-
fense for the higher court although
their lawyers have consistently re-
fused to make any statement as to
their intentions.

**ENGAGEMENT OF
SMALL CRAFT OFF
BELGIAN COAST**

(ASSOCIATED PRESS TELEGRAM)
London, May 17.—A naval en-
gagement occurred yesterday off the
Belgian coast between small German
and British warships. There were no
British casualties.
Official announcement of the fight
was made as follows:
"An encounter took place yester-
day afternoon off the Belgian coast
between a force composed of Brit-
ish destroyers and monitors and
some German destroyers."
"After a short engagement the
enemy withdrew to their ports. Our
force sustained no casualties."

**AMERICAN LOSES
LIFE WHEN SHIP
IS BLOWN UP**

(ASSOCIATED PRESS TELEGRAM)
London, May 17, 4:34 p. m.—The
American embassy was informed to-
day that Luigi Martini Mancini, an
American citizen was drowned when
the steamship Batavier V. was blown
up.

Two other American citizens who
were on board the steamship were
saved.

Mancini, a wireless expert from
Roswell, N. M.
The Dutch steamer Batavier V,
1500 tons, was blown up in the North
sea. Four members of the crew were
lost. The remainder landed at Great
Yarmouth. The Batavier V was on
her way to London from Rotterdam.

PUDDLERS GET INCREASE.

(ASSOCIATED PRESS TELEGRAM)
Girard, O., May 17.—Eight hun-
dred puddlers employed by the A. M.
Broers Co. here were notified today
that they had been granted an in-
crease in wages of 67 1-2 cents a ton
for muck iron.

CANADIAN PREMIER HERE.

New York, May 17.—W. H.
Hearst, premier of Ontario, Canada,
arrived here today on the British
steamship Parina from Babadoes.

**Veteran Fire Fighters in
Cincinnati Will Be Retired;
All Undergo Physical Tests**

(ASSOCIATED PRESS TELEGRAM)
Cincinnati, May 17.—"The doctors
told me I was a sick man. As I am
able to put my feet under the din-
ing table three times a day and sleep
like a top when the joker gives me
the chance, I am not worried."
"They told me that my liver was
three times larger than it ought to
be. I never knew that before. It
is far better than having a liver
three times smaller than it ought to
be."
"And I was told that I had an en-
larged heart I guess that accounts
for my giving away all my money."

"My pulse misses a beat. So does
a retired policeman."
These remarks were made today
by ten retired veteran fire fighters
after they had appeared before a
police and fire surgeons for physical
examination. The men took them
all but it was apparent that they
realized the seriousness of the matter
what it portended—retirement.
Decision of Safety Bureau. The
order to have every man in the
department undergo a physical ex-
amination with a view to a re-
vision of the department by the
city of Cincinnati.

CAPTURE

**Of 75 Bandits by Maj. Lang-
horne's Cavalry, Is
Reported**

**BY TRUCK DRIVER AT
MARATHON, TEXAS**

**Six Killed Before the Band
Surrendered**

NO OFFICIAL REPORT

**Has Yet Been Received By
Army Officers—Band Sur-
rounded By Two Cavalry
Troops Who Fired at
Once—Mexicans Gave Up
Promptly—Will Be Taken
to Marathon.**

(INVESTIGATING CHIVICOSES)
Marathon, Texas, May 17.—Major
Langhorne and two troops of cavalry
surrounded the Mexican bandits who
raided Glenn Springs about 125
miles from the border killing six and
capturing 75, according to a truck
driver arriving today from Boaquila.
Army officers here have made no
announcement regarding the reported
engagement.

According to the truck driver, the
bandits were surrounded and did not
put up a fight. The Americans
ceased firing at once.
The seventy-five captured, it was
said, were to be brought here for
trial.

**WOMEN SUBMIT
TO SKIN GRAFTING
TO SAVE NURSE**

(ASSOCIATED PRESS TELEGRAM)
Cleveland, May 17.—Thirty-five
women, twelve of whom are mem-
bers of Wade Park Methodist
church and twenty-three of whom
are nurses at two local hospitals,
submitted today to the removal of
small patches of skin from their
arms and thighs in an effort to save
the life of Mrs. Mayme A. Bennett,
nurse, who was so seriously burned
April 10 when her dress caught fire
from an open grate. The skin
grafting operation will not be com-
pleted for at least a month, accord-
ing to attending surgeons, who say
sixty to seventy additional women
must contribute skin before enough
to cover Mrs. Bennett's wounds will
be obtained. Most of this number
have already volunteered, surgeons
say.

**DEEMER RESCUED
BY AMERICANS;
BANDITS FLEE**

(ASSOCIATED PRESS TELEGRAM)
Marathon, Texas, May 17.—United
States soldiers here rescued Deemer,
the American storekeeper captured
by Mexican raiders on Glenn
Springs and Boquillas, Texas, ac-
cording to a man named Terry who
arrived here today.
Terry said the soldiers entered a
village 125 miles in Mexico and the
bandits rushed out, leaving Deemer
and a captive negro named Monroe
Payne. Payne and Deemer are being
brought back to Texas, Terry
said.

**METHODISTS ARE
BALLOTING FOR
SEVEN BISHOPS.**

(ASSOCIATED PRESS TELEGRAM)
Saratoga Springs, N. Y., May 17.
—Balloting for the seven new bish-
ops of the Methodist church was
continued when the general con-
ference of the denomination resumed
its deliberations today. The first
ballot was taken yesterday but none
of the candidates received the neces-
sary two-thirds vote of the confer-
ence.

The report of the tellers showed
that of the more than 262 candi-
dates, Rev. Dr. Thomas Nicholson,
secretary of the board of education
was the leader with 412 votes. Oth-
ers included Herbert Welch, pres-
ident of the Ohio Wesleyan Univer-
sity with 293 votes.

TWO KILLED AS AUTO GOES OVER AN EMBANKMENT

(Associated Press Telegram)
Portsmouth, O., May 17.—Two people were killed and four seriously injured at midnight near Sciotoville, six miles from here as the result of what officials say was a joyride. A touring car occupied by seven people, skidded on a wet pike and rolling over an embankment landed right side up but pinned several of the occupants under it. The car turned completely over twice throwing occupants out. The dead are: Mrs. Anna Burgess, 23, Chinville, Ky., and Grover Cleveland Adkins, 20 months son of Mr. and Mrs. Geo. Adkins of Chinville. Both of these victims had their skulls mashed to a pulp. Their bodies were found 100 feet away from the car.

The injured: Harry Davis, 27, switchman, C. & O. railway, Chinville, Ky., condition dangerous.

Lucile Burgess, 2, daughter of the dead woman, head and face lacerated; George Adkins, 23, C. & O. switchman, Chinville, Ky., multiple injuries about face, head and body, badly bruised about body.

The driver and owner of the car, Dave Ealey, 26, a C. & O. employee, Chinville is in the county jail charged with exceeding the speed limit and drinking. He claims that while there was liquor in the car none of them were drinking to excess and that he was driving only 15 miles an hour when his rear wheels skidded and the car after clinging to the edge of the embankment finally toppled over.

ZANESVILLE

(Continued from Page 1.)
formed her that they were as welcome as the flowers in May.

"I am informed by the various sign writers of the city that they are receiving all kinds of orders for banners. Some will be of a comic nature, others business and a number typical of friendship existing between the two cities. One local sign writer received forty-two orders for banners yesterday, so you will know that the cars are going to be well decorated. One local dealer in autos informs me that he is going to have six new cars in line and a repair car. Nearly all auto dealers in the city will have repair cars in line."

Tourmaster Lewis wishes to impress upon the drivers the necessity of having their cars in line early so as to get away promptly at 12:30 o'clock. The lead car will leave the city hall promptly at that hour. A speed of not more than 20 miles per hour will be maintained. Zanesville is making great preparations to receive the visitors and all the factories and points of interest will be thrown open for the inspection of the visitors.

Tomorrow afternoon all roads will lead to Zanesville. Are you going to join the jolly throng of merry makers?

HEARTY WELCOME TO BE EXTENDED NEWARK VISITORS

Zanesville, May 17.—A delegation of two thousand Newark and Licking county residents traveling in automobiles, will arrive here Thursday afternoon to be the guests of Zanesville for several hours. The advance guard will reach the city limits between 2:30 and 2:45 o'clock, and will be followed at short

RENEW YOUR VITALITY

Replenish the Deficient Nerve Force
SLEEPLESSNESS
DR. GREENE'S NERVURA
Purely vegetable and harmless in action, this remarkable remedy restores the nervous system and induces natural, refreshing sleep.

SOLD BY ALL DRUGGISTS
Dr. Greene will give free medical advice by mail if you write to his office and laboratory, 597 Albany St., Boston, Mass.

Intervals by the remainder of the delegation.

"If the weather man is right we'll have a big crowd. There are being made more than 400 machines will be in line," said Dr. J. T. Lewis, chairman of the Newark committee to The Times Recorder over the long distance telephone Tuesday evening. Dr. Lewis had just returned to his home from a meeting where final arrangements were made for the trip. "Newark automobile owners are enthusiastic over the trip and everyone who can leave their business or work will be in line," continued Dr. Lewis.

Two bands will accompany the visiting delegation. The Buckeye band of 20 pieces will occupy a truck following the pathfinder's car and the High School "rube" band will be sandwiched in the procession. Practically all the cars in line will be decorated with flags, bunting and advertisements and several novel floats will also be in line.

The tour is being arranged by the Newark Automobile Club under the direction of Dr. J. T. Lewis, H. D. Hale and D. H. Alsop. All arrangements for the trip were completed at a meeting of the committee Tuesday night. The speed of the tourists will be governed by the speed of the truck carrying the Buckeye band, at the head of the procession.

Safety Director Culbertson and Chief of Police Arter have provided for the safety of the visitors on arrival in the business district. The entire police department will be called out at noon to handle the crowd. An officer will be stationed at each corner along Main street while two will be stationed at Main and Fifth streets which will be the main parking point for the machines. Two will be stationed at Fifth and South streets, two at Fifth and Market street. Efforts will be made to park as many cars as possible on Fifth street, north and south. Because of this thoroughfare being free from street car tracks.

Newark residents have been asked to rely on the Zanesville police for information concerning parking. The police will be especially drilled Wednesday evening on the manner the traffic is to be handled. After Fifth street is filled with cars other streets will be used for parking.

All Zanesville is planning for the reception of the Newark guests. Practically every club house in the city will observe open house for the day. At a meeting of the Fraternal Order of Eagles Tuesday night a resolution was unanimously passed to observe open house and to have the trustees decorate the building and secure a "Welcome Newark" banner.

The Knights of Columbus will also hold open house. A Victrola and piano concert will be rendered throughout the afternoon and card and pool games will be open to the visitors.

The B. P. O. Elks will also observe open house and a light luncheon will be served at the club rooms. The Masonic club will also be thrown open for the comfort of visitors and visitors will also be made welcome at the various lodge rooms. Gold hall has been designated as the official reception room.

The importation of docked horses into the Philippines has been prohibited by law.

SCHOOL BOARD ENTERTAINED AT A DINNER

A Delightful Affair Given at the High School by Domestic Science Girls Tuesday Evening.

Members and former members of the Newark Board of Education, teachers and friends, making a group of fifteen men, were delightfully entertained at dinner in the High School building last evening.

The party was given under the direction of the public school's Domestic Science department in charge of Miss Edith Clark and Miss Carrie Zentmeyer, both graduates of Ohio State University.

The dining room was made very inviting. Dogwood and spirea were used effectively about the room while the table decorations arranged by the high school girls were especially attractive. The place cards, unique in design, were made by Miss Mary Elizabeth Avery. Nut baskets were at each place. The candle-shades were in yellow and white and in the center of the table was a magnificent bouquet of pink roses, a gift of the Thulean Literary society. The dinner was prepared and served by the young ladies. It was splendid. The menu:

- Fruit Cocktail
- Celery
- Cream of Pea Soup
- Bread Sticks
- New Potatoes
- Escalloped Corn
- Hot Rolls
- Grape Conserves
- Fruit Salad
- Waters
- Pineapple Ice
- Cakes with Candies
- Nuts
- Coffee

Superintendent Wilson Hawkins presided as toastmaster. Before introducing the several speakers, Mr. Hawkins spoke of the growth and condition of the public schools of Newark, and referred to Mr. Frank L. Beggs as the "father of Manual Training and Domestic Science in Newark."

Mr. Beggs worked earnestly and successfully for the introduction of these branches in the public schools while he was a member of the board of education.

Manual training was introduced in a small way in 1906—ten years ago. In the school year 1909-1910, two hundred and forty-two boys took manual training; today the number approaches 600. Domestic art was established here in 1908 and during the following year 137 girls took sewing in school. In 1909-10 cooking was introduced as a part of the school course, in that year 175 girls enrolling in the domestic science department. Amy Lee Kidwell was the first supervisor of Domestic Science and Art in the Newark schools.

Today girls from the sixth grade on through the high school are given practical instruction in sewing and cooking while the boys beginning with the sixth grade are taught manual training. At present not less than 1250 boys and girls are enrolled in these courses.

The men who responded to the toastmaster's call referred to the splendid history of the Newark schools, to the present efficiency of the system, to the harmony existing in every department, and to the fact that the school board in recognizing the worth of Superintendent Hawkins, recently re-elected him for a five year term without a single dissenting vote.

These attending last night's dinner: Senator William E. Miller, president of the school board; William C. Christian, Seth W. Haight, Benjamin Montgomery, John M. Mitchell, Frank L. Beggs, Charles L. H. Long, Edward Kibler, Rev. Don D. Tullis, O. J. Barnes, Frank G. Handie, John A. Tait, C. W. Klopp, Wilson Hawkins, C. H. Spencer.

PRAIRIE SCHOONER ON AUTO CHASSIS FOR EZRA MEEKER

Ezra Meeker, 85 years young, the man who for the past number of years has been working for a great national highway to be known as Pioneer Way, was a Newark visitor this morning, while enroute from Washington, D. C., to Olympia, Washington. Mr. Meeker was returning home from a trip to Washington where he appeared before the House Committee on Military Affairs, and made an oral plea favoring the passage of a bill "To survey and locate a Military and Post Road from Saint Louis, Mo., to Olympia, Wash."

Several years ago Mr. Meeker passed through Newark with an oxen team hitched to a prairie schooner, enroute to Washington, D. C. That trip required 28 months travel, when he could have made it in five days via the railroad lines. Today he came to Newark in a twin-six specially constructed machine which resembled the prairie schooner. The machine was made in Indianapolis four months ago. The distance from Olympia, Washington to Washington, D. C. is 2560 miles.

"How old are you?" Mr. Meeker was asked by a reporter. "I will not answer that question," he said. "But if you ask me my age, I will tell you that I am 85 years young." When asked about his oxen team, Mr. Meeker said that he had the animals mounted and dedicated to the perpetuation of history. They have been placed along the old Oregon Trail in the state of Washington.

The "young old" pioneer paid Mayor Bigbee a visit and asked permission to sell some of his literature while in the city. The mayor turned the key of the city over to the traveler and told him to remain as long as he cared to. Late this afternoon, Mr. Meeker resumed his journey going to Columbus.

FIRST OUTING TO BE HELD AT LAKE THURSDAY, MAY 25

At a meeting of the Elk lodge last evening Walter M. Kussmaul and Nelson E. Vanatta were elected to membership and will be initiated at the next meeting in two weeks. After the meeting a social session was enjoyed and a luncheon was served by the club steward, Col. Billy Hohl. Exalted Ruler Walter Daugherty has announced special features for the summer season and the entertainment committee, Messrs. Fletcher Scott, James R. Cooper and Dr. H. H. Baker, have set Thursday, May 25, as the date of the first summer outing. Either a spring chicken or sea food dinner will be served and the complete program will be announced later.

SUMMIT STATION

Mr. Isaac Dixon, living on Broadway, passed away Sunday evening, aged 70 years. Mr. Dixon had been in poor health for some time and his death was not unexpected. He leaves an aged, sorrowing companion, two sons, John and William, at home, three grandchildren, one sister, Mrs. Louis James, one brother, William Dixon, and many friends. Funeral services were held Tuesday afternoon at the home, Rev. Mr. Williamson of the First Presbyterian church of Pataskala, officiating. Interment in Silent Home cemetery at Reynoldsburg.

Mr. Gardo Williams and family of Newark, Mr. Art Spelman and family of Alexandria, were Sunday guests of Mr. and Mrs. R. S. Alberty.

Burl Vandy moved his family in the Axline property on Cleveland street, Monday.

Mr. and Mrs. Fred Moore attended the funeral of Mr. Clyde Timmons at Vego Sunday. Mr. Timmons is a brother-in-law of Mr. Moore.

William Alberty and family and Mrs. Jennie Brock attended the funeral and burial of Mr. Allen Barb Sunday at Reynoldsburg.

The Epworth League will present a play here in the near future.

The school commencement will be held here Thursday night of this week in the M. E. church. Mr. B. F. McDonald of Newark will make the class address. The graduating class numbers five.

The play given by the Juniors last Thursday and Friday nights in Carrioco's hall, was a grand success. The S. C. B. furnished music for the occasion.

Mr. and Mrs. O. M. Salts of Westerville called on Mr. Salts' parents one evening last week.

A telephone message was received here Sunday from Brownsville, E. C. announcing the death of Rev. E. B. Felt. Mr. Felt had a severe case of

grip, but had nearly recovered when heart trouble set in which caused his death. Mr. Feltz leaves a sorrowing companion, who was formerly Miss Cora Shambaugh of this place. They had been married 14 years. One daughter and one son, father and mother, who live near Reynoldsburg, one sister, one brother, and many relatives and friends are left to mourn. Funeral service was held Wednesday afternoon at Reynoldsburg, Rev. H. S. Bailey of the Reynoldsburg M. E. church officiating. Burial was made in Silent Home cemetery.

Mrs. S. B. Besse went to Delaware Saturday and remained until Sunday evening, the guest of her son, S. B. Besse, Jr., at the Sigma Alpha Epsilon home.

Miss Emma Heller of Newark is visiting relatives here.

Byron Besse went to Powell Saturday to attend the Delaware county track meet and oratorical contest. The Berlin schools, of which Miss Glorine Besse is principal, won first honors in the oratorical contest.

DO YOU WANT EASY MONEY?

IF SO, BUY TANLAC THURSDAY, FRIDAY AND SATURDAY.

Ten Packages of Tanlac For These Days Will Contain Dollar Bills.

In order to stimulate the sale of Tanlac during the three-day sale at Hall's Drug Store—the Newark home of Tanlac—nine one-dollar bills have been placed in nine different packages of Tanlac, and the purchasers of these nine bottles get the Tanlac at the usual price and the money therein. While the plan is to so arrange the contest that only three will be won each of the three days, it is possible for three or more—or even all—of the nine to be awarded any one of the three days named. All we ask of the winners is that they report at Hall's Drug Store any time Saturday—but not until Saturday—between 8:30 p. m. and closing time that night. In the event that all nine of the bills have not been found by closing time Saturday, May 20, the sale will be continued until all nine of the Tanlac prizes have been won, as under no circumstances will any advantage be taken over the failure of Tanlac purchasers to pick the prize bottles, as they are to go as promised and will regardless of whether this special sale ends Saturday night or later. Tanlac is the greatest of spring and nerve tonics, pre-eminent as a system and blood purifier, and is a helpful agency in the treatment of catarrh, rheumatism and liver and kidney troubles.

Tanlac is demonstrated at Hall's Drug Store and is for sale at Ullica by P. H. Richardson, Pataskala by J. R. Strine, Granville by W. P. Ullman, Johnstown by C. S. Howard, Croton by J. W. Haines, Hebron by Hebron Drug Co., and Centerburg by E. B. Walter. (adv.)

AGRICULTURAL COURSE WILL BE ADOPTED

SCHOOL BOARD ACTS FAVORABLY UPON SUPT. HAWKINS' RECOMMENDATION.

Election of Teachers Will Be Taken Up at Special Meeting on May 25—Bills Allowed.

The board of education met last evening in the superintendent's room at the high school and after routine business adopted the recommendation of Superintendent Wilson Hawkins to establish an agricultural course in the Newark schools.

The inauguration of the agricultural course in the Newark schools will place them among the best in the state and the action of the board will be commended by all who have the schools best interest at heart.

The meeting was called to order by President Wm. E. Miller, other members present being Vice President M. Mitchell, Clerk Benj. Montgomery, S. W. Haight and W. C. Christian. After the minutes of the last meeting had been read and approved the following bills were allowed and ordered paid:

Oren J. Barnes, payment of stage hands, \$25; Crane-Kreig Hardware Co., 97 cents; Universal Supply Co., \$4.06; The Electric Shop, lamps, \$27; Arthur N. Banton, electric supplies, \$5.30; James Dunlap, labor, \$5.10; E. W. Rowles, 24 packages black ink crystals \$6; Oval and Koster, 25 diplomas, \$34.50; Wells Fargo Express Co., \$1.44; Adams Express Co., 50 cents; Schuler Machine Co., \$2.35; Charles Scribner Sons, supplies, \$12; Dodd Mead Co., \$4.50; Globe Ticket Co., 48 sets of coupon tickets, \$24.40; W. H. Mazy, \$14.02; New Style Co., \$3.65; Vernon Dust Control Co., \$6.30; Webb & Webb, lumber \$2.04; Walter Gettings, 65 cents; American Tribune, publishing legal notice, \$11.75.

An application for janitor of the High School was made by H. S. Queen. No action will be taken on a successor to the late C. E. Comer at the present time.

A letter thanking the board for the floral offering at the C. E. Comer funeral was received from Mrs. Comer and family.

The salary list of all officers and teachers for the month of May was allowed by the board, after which the state boiler inspector's report on the Woodside, North Fourth and High School was read. The inspection was complete and thorough and all boilers were found in first class condition.

It was also decided to meet in special session on Thursday evening, May 25, in order that teachers for the next school year may be elected and the contracts signed while the teachers are still in the city, and thus avoid delay.

The following report was then presented by Superintendent Hawkins, the board adopting his recommendations:

I desire to place this part of my report before you in writing for the reason that it involves two recommendations of more serious importance than the usual business that is brought to the attention of the board.

I recommend that you establish, to become effective with the opening of school in September next, a systematic course in agriculture as one of the courses offered in the Newark High School; that you also go on record as approving the introduction of school gardening and home gardening under skillful direction in connection with the work now carried on in the elementary schools; that the Board of Education secure a trained teacher, who is a graduate of an Agricultural College, making this teacher a regular member of the High School faculty, the special work of this teacher to be that of teaching agricultural subjects in the High School of direct- ing and organizing school and home garden classes among the pupils of the elementary schools, directing and supervising the work of these pupils not only during the school hours and during the school months, but that this teacher be employed for twelve months in the year in order to extend this work through the vacation months which is the most opportune time for its execution.

I have not made the above recommendation without careful thought and investigation as to the practicability of it. Two years ago in a statement published by the press of this city the plan of carrying on this work was outlined. This plan received the endorsement of not only the press of the city but of many business men who either spoke to me in person or wrote me letters urging that it be given a trial. It was endorsed also by the editors of leading educational magazines of this and other states as well as by the editors of such newspapers as the Ohio State Journal. The United States Commissioner of Education at that time approved the plan and soon after issued a bulletin from his office to Boards of Education and School Superintendents throughout the United States involving practically the same plan as we are proposing to initiate in the public schools of this city. Dr. Claxton, the United States Commissioner, in this bulletin makes the following statements:

"This plan of home gardening and agriculture extending through the vacation weeks under the direction and supervision of a trained leader, will do the following things: (1) It will contribute to the income of the homes of the community and will enable boys and girls to remain longer in school. (2) It will utilize for productive purposes unused lots and land and thus contribute to the wealth of the community, the state and the nation. (3) It will provide an experience for boys and girls in an occupation that may be the means of livelihood. (4) It will provide an exercise that vitalizes school work. (5) It will provide an opportunity

for business experience. (6) It will stimulate industry by providing the school pupils with wholesome employment and incidentally save them from the evils attending idleness during long vacations. (7) It will make it possible for parents and neighbors to obtain fresh vegetables produced by their own children. (8) It will necessitate the clearing up of back yards and vacant lots, thus contributing to the sanitary conditions and aesthetic conditions of the community, thereby increasing land value. (9) It will do away with the criticism of country folk that their boys and girls who attend the city High School lose interest in country life. It will send these boys and girls who take this course back to their country homes acquainted with the possibilities of rural life."

I have delayed asking the Board to make this plan a reality in the Newark schools for the reason that I was waiting for the time to come when we should have to add, because of increased numbers, an additional teacher to the High School faculty. That time has now arrived. We shall need such a teacher at the opening of school next year. My recommendation is that instead of securing a teacher to teach such subjects as are now already in the courses of study that this new course be established and the number of pupils taking this new line of work will relieve other departments making it possible for the same number of teachers to carry on the regular work now offered in the High School. If this is done the only additional cost to the Board of Education will be for the summer work done by this teacher and ought not to exceed more than \$200 a year.

I know that the Newark Board of Education and the Newark people desire that their schools be not only fair or good but that they be the best that can be maintained with reasonable and not extravagant expenditures of money. I realize the limitations of the Board of Education and of the community from financial standpoint. I have no desire to be unreasonable in my demands along this line. However, the schools of this city must not stand still, they cannot stand still, they will either be progressive or they will fall back into ruins. There is no such thing as a "stand pat" school system, a "stand pat" teacher, or a "stand pat" Board of Education. The proper name for a "stand pat" in these lines is "back number."

During recent years one of the most evident movements in educational progress has been along the line of concreteness in the presentation of subjects in the course of study. Pictures are coming to play a more and more important part in the education of the child. Wide awake teachers are using more and more the picture to illustrate and make clear the text book. That the picture is highly attractive to not only children but to adults is proven every day by the thousands that are seen in the moving picture theatres of the country. In order to utilize this interest eminent educators within the last few years have planned slides to be used with the lantern for demonstration purposes in the subjects usually taught in both elementary and high schools. Among these educators are such men as Dr. Frank McMurry, Columbia University, Dr. J. W. Redway, the Author of Redway's School Geography, W. H. Crawford President of Allegheny College, and many others of equal rank in the educational world. These slides are now being used in such cities as Boston, Mass., New York City, Detroit, Cleveland, Denver, and many other larger and smaller cities of the country. They deal with Geography, History and Civics, Transportation, Industries, Botany, Nature Study, Agriculture, Races and mankind, children of the world, homes and home conditions, Architecture, cities and city life, Manual Training, Domestic Art and Domestic Science, English Composition, and world wonders. The complete outfit for school purposes consists of 600 slides and on the average each slide may be used in ten different demonstrations being equivalent for instruction purposes to 6,000 slides. In addition to the slides there is a lantern, teachers' guide books, screens, slide cabinet, slide boxes for distributing slides from building to building, and books of descriptions explaining every slide for its different uses in demonstration. This lantern can be used in the teacher's room and does not necessitate the interruption of the building program which usually follows where children have to be assembled in auditoriums in order to make use of the old type of lantern. This complete outfit will cost the Board of Education at the discount price allowed to schools, the sum of \$265.30, to be paid one half in September and one half in March of the following year. I recommend that the Board purchase this outfit for use in the schools of this city with the hope that all buildings of the city through entertainments will eventually be supplied with lanterns which may be purchased as low as \$30. I might say that the Central School and the High School have already purchased lanterns. You understand that I am asking the Board to purchase one outfit only in order that I may demonstrate throughout other buildings of the city the value of these slides in the teaching process.

If the Board of Education sees fit to adopt the recommendations regarding school gardening and agriculture and the use of the stereopticon for instruction purposes, I shall be much gratified and believe that both will bring much of benefit to the children and through them finally to the community. Signed, WILSON HAWKINS, Supt. of Schools

4, 1879.

Agriculture In Newark Schools.

The Newark Board of Education which used good judgment at the previous meeting by unanimously re-electing Superintendent Hawkins for a five-year term, took action last night which will mark a distinct advance for Newark's school system. The board without opposition adopted Mr. Hawkins' suggestion for the introduction of school gardening and agriculture and the use of the stereopticon for instruction purposes in the schools of this city.

The use of the picture machine is not new and the study of agriculture is not altogether new in the Newark schools, classes in agriculture having been established here three years ago, but the idea of making a trained agriculturalist a member of the High School faculty for the purpose of giving twelve months service each year to practical farm work and gardening among boys of school age is decidedly novel. In fact, Newark is the first city in Ohio to take this advanced and very practical step. It means progress, it means making "two blades of grass grow where one grew before."

The plan is to lease a tract of ground and to assign a quarter of an acre to each boy enrolling for the course of study. Under guidance the boy will be taught to get the best possible results from the cultivation of the ground. Competition will be keen and each boy will enjoy the fruit of his own effort. Boys living in the country may cultivate ground on their farms but under the supervision of the teacher. The idea will no doubt meet with the hearty endorsement of the agricultural bureau of the new Chamber of Commerce, and with business men and farmers who have been thinking and talking of an experimental farm or a county agent.

It is not generally known that 100 country boys are now attending the Newark High School, paying about \$400 a year for the privilege of attending the city schools. Here is a course of study that should appeal to them and should appeal to the city boys who also love to see things grow and who has an ambition to become a progressive farmer. This new department in the public schools will enable boys to save time in completion of a college agricultural course.

Prof. Hawkins' letter to the school board is published in full in this edition. It deserves the reader's attention. The Advocate is glad that the board members have placed their stamp of approval upon Mr. Hawkins' splendid suggestion.

Anyway, this summer you can comfortably go to a \$10 a week summer hotel, without preparing therefor by paying \$5.00 a lesson to some dancing teacher.

Daily History Class—May 17.
1740—Dr. Edward Jenner, discoverer of vaccination, born; died 1823.
1774—General Thomas Gage, military governor of the British colonies, landed in Boston to suppress the "rebels."
1820—John Jay, American statesman, chief justice and President Washington's special envoy to Europe, died; born 1745.
1865—General P. H. Sheridan was ordered to assemble a veteran army on the Mexican border.
1915—The allies in Belgium forced the Germans to withdraw across the Yser canal from positions which they had occupied since April 22.

Mr. Brandeis' Services.

(Philadelphia Record.)
An interesting contribution to the controversy over the legal abilities and standing of Louis D. Brandeis, President Wilson's nominee for the Supreme Court, appears in The Boston Transcript over the name of Prof. Felix Frankfurter. Writing regarding an important case from Oregon before the Supreme Court, he says: "As the attorney of record in the Oregon ten-hour law case, will you allow me to say that the lawyer who is responsible for the new method of arguing constitutional questions is Mr. Louis D. Brandeis. The method of marshaling scientific data in support of specific social legislation, instead of abstract constitutional reasoning, was first employed by Mr. Brandeis in the well-known Mueller case, in 1908, since then he has employed the method with uniform success in an important series of cases, and has to a large extent, profoundly influenced the sound development of constitutional law. Not only for the method in general, but for its application in the recent Oregon case, Mr. Brandeis is responsible, for about six months prior to his nomination for the Supreme Court the brief which was submitted to the Court was prepared under his direction."

There is no lawyer in America today who has done so much to advance social legislation along sound constitutional lines as Mr. Brandeis. His methods have been as praiseworthy as the objects aimed at. It is because of his great success in this humane work, coupled with his exposure of corporate realities, as in the case of the New Haven railroad, that he is bitterly opposed by those who place property rights above every other consideration. Mr. Brandeis' future fame is secure, whether or not he reaches the Supreme Court. The same cannot be said of the reactionaries who are so violently opposing his nomination.

A Great War Contrast.

Except as to one little corner of Alsace, the armies of the German empire are everywhere fighting on foreign soil. They hold lines far inside the boundaries of France and Russia. They are in possession of practically all of Belgium, Serbia and Montenegro are wholly in the grasp of Germany and her allies.

As a rule, the German military operations have been more successful than those of Germany's foes. As the hostile forces stand today, the advantage is with Germany much more than it rests with the powers of the great alliance arrayed against Germany—Austria-Hungary, Turkey and Bulgaria.

Yet there is no doubt that the confidence of the league of nations bent upon the downfall of Germany is great and steadily rising. Never before, it seems, were the statesmen at the head of the British, French, Russian and Italian governments so sure of victory. In the end, on the other hand, there is less talk in German circles of a complete and decisive triumph before the war is over.

This is a curious contrast. It rests upon a widespread belief that the whole course of the war is to be reversed. It is based upon the conviction in many of the great capitals of Europe that the German military machine is more than ever before like a shell which looks sound on the outside but is wearing thinner and thinner from within and is much less able than it was in the earlier stages of the war to resist long and heavy pressure.

It is an interesting theory but it has by no means been worked out in actual events, nor is it certain that it can ever be done.

Spirit of the Press

France's Interior Waterways.
Many readers may not know that France possesses one of the most remarkable interior water systems in the world. It has 4500 miles of river and 3000 miles of canals. The famous old Languedoc Canal connects the Mediterranean with the Bay of Biscay, and the new Marcelline Canal will put the great southern port in touch by interior waterways with the North Sea. Destroyers and small war craft, according to the news report of yesterday, will be able to traverse the country by means of it. To compare it in military importance with the Kiel Canal is unjustified. But it may be, indeed can hardly fail to be, of large practical usefulness to the Government in the present unparalleled crisis.—Springfield Republican.

The State Militia.
The militia is now engaged in every state except Nevada and in the District of Columbia and at last report had 132,208 officers and enlisted men. The organization, armament and discipline have been the same as that prescribed for the regular army since January 1, 1910. Direct appropriations have been made from Congress for the militia. Its mutual consent the militia of several states have joined in field maneuvers and practice marches. There have been interstate cavalry and artillery encampments and interstate rifle matches. There has been instruction for field artillery, cavalry, signal corps and medical corps. Various army schools have been open to militia officers, most without examination. In fact so far as military education and practice is concerned, the militia has been treated as a national army. We may only speculate on how much this has accomplished, but much should have been done in six years. We do know that there has been co-ordination that will greatly simplify mobilization for the border difficulty, if it becomes necessary to send additional militia. The militia cannot compare with the regular army, but it ought to be in better shape than at any other time in our history.—St. Louis Globe Democrat.

Transporting Troops.
The Russians traveled by land and water, from Moscow to Marseilles a distance of nearly 17,500 miles. This was something of an accomplishment in the transportation of troops, but it shows that the transportation of a really great army would be an exceedingly big task.—Hartford Courant.

Pointed Paragraphs
If by any system of military training Great Britain had been able in 1914 to show "the makings" of the army she has now there would have been no war in Europe. Germany would not have dared bring it on.—New York Herald.

The most remarkable thing about Villa's recovery is the manner in which he survived that \$50,000 reward.—Washington Star

When Bill Moose George W. Perkins says that "the deal depends on the experience, fact wisdom and strength of our next (Chief Executive)," he sums up the principal reason why we should all vote for Wilson.—Charleston News and Courier.

Rumors that Mr. Penrose, of Pennsylvania, the justly celebrated political pundit and reformer, is in secret alliance with Mr. Roosevelt excite no wonder as to the (Colonel's) frame of mind, but nearly everybody wants to know what is the matter with Penrose.—New York World.

The Senate of Santo Domingo has voted to impeach the President of the Republic. In the old days the President would have been assassinated.—Albany Argus.

Among the "little masterpieces" of oratory should be included Speaker Clark's speech in the House, in which he urged the members to quit talking and do some work.—Kansas City Star.

And if the submarine commander who torpedoed the Sussex loses his naval job he may have a pretty hard time getting work as a sketch artist, too.—Indianapolis News.

Providence has given us hope and sleep as a compensation for the many cares of life.—Voltaire.

Same Old Crop.
This time a year comes Samuel Bing, The greatest of geologists. He makes a garden every Spring. And raises weeds and blisters.—Luke McLuke.

Well, why not let him have his fling? To raise such things is well, Sir. Twice better than that Samuel Bing should be raising—Cam Sir.

Aunt Caline Says:
Jim Bledsoe's boy, Ollie, is dreadful sick. I run down to see him last night and the room was pretty full of bottles of medicine. While I was there the doctor come. He's the new one and appears to be about twenty year old. He hed his medicines in a valise. Ole Doc Slicem carried all he needed in a little wore out pocket case that somehow done you good jest to look at. Soon as I got a chance I ast Jim why he sent for this new doctor. He looked so mis'able at me an' says, "Well, you see Aunt Caline, Ollie was so sick an' I thought I'd git this feller which was jest out o' college an' his learnin' o' medicine would be fresher."

Did You Know?
That "Symmes's Hole" was an imaginary aperture in the earth's crust near 82 degrees north latitude? Captain John Cleves Symmes (1780-1829) imagined it to communicate with the interior of the planet which he thought was inhabited by animal and plant life and lighted by two subterranean suns, Pluto and Prosperine. Humboldt states that Symmes repeatedly and publicly invited him and Humphrey Davy to descend to the earth's interior by this hole.

High Thinking.
"Think high thoughts, lad," he said. "This is the name of advice." "I do," he sighed; "I'm thinking of The awful price of ice."—Memphis Commercial Appeal.

And if I seen better thoughts should I tempt the spirits lean, we best them then to contemplate The price of gasoline.

ah, "an' there ye are wid another little Carr in yer arms." "Another it is Mrs. Mulvaney," replied her friend, "an' it's me that's hoping 'tis the caboose."—American Druggist.

Health Preparedness Price of Success

Natural Living and Eternal Vigilance Rewarded

To be physically ready for emergencies is one of the highest duties anyone owes to self or family. Every doctor knows that if there is any royal road to health it is open bowels and that wrong eating and constipation are the causes of practically all diseases.

Doctors have long recognized castor oil as the best treatment for constipation on account of its being a nourishing, healing remedy which doesn't leave any bad after-effects. The only trouble with castor oil has been the fact that physicians have nearly always had a great deal of difficulty in getting patients to take it.

But now, thanks to the experiments of a Cleveland doctor, a jellied preparation known as CASTOR-JELL, which is 94 per cent pure castor oil with a delicious orange flavor added has been placed on sale at R. W. Smith's and W. F. Collis' Drug Store, The Castor Product Co., Cleveland, O.

Drive Uric Acid Poison From Your System

Ambition Salts

This is the remedy that will make your eyes bright, your skin clear, your stomach strong, your blood pure, your liver and kidneys healthy. It's worth while to feel ambitious, to have the energy that makes you go to work eagerly, to accomplish to your satisfaction what you have to do, to feel the glow of health and strength. AMBITION SALTS will start you right in the morning—will cleanse your whole system of uric acid poison which is responsible for indigestion, biliousness, headache, acid stomach, rheumatism, liver and kidney troubles.

If you want to feel like your old, real self, go today and get a bottle. Your money back on the first bottle purchased if it doesn't do all we claim for it. You will feel better after taking it once, and after using it a short time, you will forget the ailments that have made your life a burden.

AMBITION SALTS cost but fifty cents at T. J. Evans' drug store, and dealers everywhere. Mail orders filled, charges prepaid, by The Wendell Pharmaceutical Company, Inc., Syracuse, N. Y., manufacturers.

PRESIDENT FAVORS CO-OPERATION AMONG SMALL PRODUCERS

(Associated Press Telegram)
Washington, May 17.—Co-operation between the federal trade commission and business firms and commercial organizations with the object of standardizing trade is recommended by President Wilson in a letter to Edward N. Hurley, vice chairman of the commission, made public today at the White House. The president urges that the commission investigate industries and, if it finds any "healthy," it suggests a "practical and helpful remedy."

The president wrote to Mr. Hurley to commend him for suggestions made in a recent speech at Boston in which Mr. Hurley told of efforts being made by the commission to assist the small manufacturer and merchant in bettering his condition by helping him improve his cost accounting and bookkeeping methods. "This is a step in the right direction and one of the main fundamentals of any successful business," said the president.

"Your suggestion that trade associations and other similar organizations should be encouraged in every feasible way by the government seems to me a very wise one. "Too much emphasis cannot be placed on your suggestion that materials, methods and products in in-

RESERVING ROOMS FOR CONVENTION

Dan R. S. Sullivan, state secretary of the Eagles, was in the city late yesterday afternoon and last night and arranged for the Columbus marching club for the state convention to be held in this city June 18 to 22.

The Columbus Aerie will send a uniformed marching club of 1000 men and it will be accompanied by a band of fifty pieces and the Democratic Glee club of the Capital City. Columbus is out for several prizes and will make an effort to capture them.

Mr. Sullivan while in the city engaged twenty rooms at the Warden Hotel for the state officers. State headquarters will also be maintained at the Warden.

The famous Eagle Degree team of Tiffin, O., has engaged fifteen rooms at the Sherwood Hotel. This crack drill team will not compete for the prize as it has an average of 98 1-2 per cent. However the team will give an exhibition initiation Wednesday evening, June 21, at the K. of P. Hall. It is possible that the team will also give a public exhibition.

Reports are coming in from all over the state and it is up to local citizens to care for the big crowd which will be here for convention week. State officers of the Eagles predict that this year will witness the banner convention and predict that at least 30,000 visitors will be in Newark for the occasion.

Society

The Y. M. P. class of Neal Avenue church held its social evening at the home of Mr. and Mrs. A. T. Starky, 163 Mahon street. Some thirty-four members and guests were present. The evening was spent in various forms of entertainment. Ice cream, cake and coffee were served.

The Delta Zeta class was delightfully entertained at the home of Miss Frances Brown in Meridian street Monday evening. After a short business meeting, the evening was spent in games and music. At a late hour, dainty refreshments were served to the following members and guests of the class: Mrs. J. S. Anderson, Misses Nettie Campbell, Mary Rosel, Clara Brugg, Pearl Pinkerton, Bernice Heaton, Bernice George, Miss Annie Jones, Miss Leora McGinnis of Fraxburg, Mrs. F. M. Swartz and the hostess.

The Christian Lutheran Bible class of St. Paul's Lutheran church, will entertain with a banquet Thursday at the church in honor of new members.

Mrs. R. L. Wilkinson entertained informally with a bridge party at her home in Twenty-first street on Tuesday. The only out of town guest was Mrs. Julius Sturm of Cincinnati.

Mrs. William Foley will entertain the members of her church club this evening at her home in North Fifth street.

Shepardson College will celebrate the Annual May Day on Saturday at the college. Miss Katherine Olney of Cleveland has been selected as May Queen. A number of the alumni and friends of Newark will spend the day in Granville.

The different fraternities of Denison University will entertain with the annual parties on May 30 at the fraternity houses in Granville. Many of them will entertain with garden parties.

The following people bowled at the Pastime Alleys on Tuesday evening: Misses Mary Niemeth, Anna Bowman, Winifred Grady, Helen Ginter,

DESPAIRING WOMAN Now Happy Mother

**Mrs. Stephens Did Not Need
The Surgical Operation.**

Patoka, Ill.—"I had been married five years and my greatest desire was to become a mother. The doctor said I never would have a child unless I was operated on for female troubles and I had given up all hopes when a friend told me of Lydia E. Pinkham's Vegetable Compound. I took it regularly for some time, and I am

in better health than ever, and have a healthy baby girl. I praise your Vegetable Compound for my baby and my better health. I want all suffering women to know that it is the sure road to health and happiness."—Mrs. GEORGE STEPHENS, R. F. D. No. 3, Patoka, Ill. Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.

THE OLD RELIABLE

ROYAL BAKING POWDER

Absolutely Pure

Margaret Stoepler, Jesse Barrick, Elsie Oberfield, Leah Ginter, Ethel Evans, Mercedes Ginter, and Katherine Stoepler. Mr. and Mrs. Jerry Loewendick, Mrs. Guello, Misses Ida Linden, Genevieve Kennedy, Anna Murphy, Thomasine Kelley and Hazel Kelley.

Mrs. J. T. Harbottle entertained with a pretty children's party on Tuesday afternoon at her home in Hudson avenue. Mrs. Harbottle honored the birthday anniversary of her daughter Julia Ann. The hours were devoted to children's games and a prettily appointed luncheon was served.

Obituary

Mrs. William Beall.

Mrs. William M. Beall one of the aged residents of the city died at her home 292 West Locust street, Tuesday evening at nine o'clock, from the infirmities due to age. She was born near Steubenville, Ohio, Nov. 7, 1850, and was married to the late William M. Beall Oct. 2, 1866. To this union were born two children, Mrs. A. E. Hoskinson of near Vanatta and George W. Beall of Franklin Township, and the following stepchildren, Balcum Beall of Indianapolis, R. C. Beall, Mrs. Geo. D. Orr, and Mrs. A. C. Wolfe of this city.

She also leaves to mourn their loss, twenty grandchildren and 12 great-grandchildren. The funeral will be held at the home 292 West Locust street, Thursday afternoon, at 2 o'clock and will be private.

Friends of the family are invited to call before that time.

(Steubenville papers please copy.)

John H. Alward.

The funeral services of John H. Alward, 72, who died at his home in Granville early Monday, was held this afternoon from the late home in Mulberry street at 3 o'clock. Interment was made in Maple Grove cemetery.

Mrs. J. Edward Wilson.

Mrs. J. Edward Wilson, died at her home, 47 Bowers avenue at 10 o'clock Wednesday morning, death resulting from a complication of diseases.

Ada Mary Hawx was born near Columbus, September 30, 1887 and leaves to mourn her death, the husband, one brother, Myron Hawx of Detroit, Mich., and two sisters, Mrs. Emory Delt of Springfield and Mrs. W. J. Howard of Keifer, Okla. She was a graduate nurse having graduated from the Springfield school of Nurses.

The funeral services will be held on Friday afternoon at 2 o'clock at the home in Bowers avenue. Rev. L. P. Franklin of the Trinity Episcopal church officiating and interment will be made in Cedar Hill cemetery.

Mr. Jones' Funeral.

The funeral of Mr. Evan Jones, whose death occurred Sunday morning, took place at his home, two miles north of Newark, on the Mt. Vernon road Tuesday afternoon at 1 o'clock. Rev. Grover Deihl of the Plymouth Congregational church officiating. The service was attended by a large gathering of friends of the deceased, and his family, and beautiful flowers were sent in profusion by the many acquaintances of Mr. Jones.

Amos Shaw.

Amos Shaw was born August 2, 1842, among the sun-kissed hills of Madison township, Licking county, and passed from this life May 11, 1916. He was beautifully and tenderly laid to his resting place in beautiful Cedar Hill by the old soldiers, Saturday, May 13. He was a brave soldier in the Civil war, a kind friend of many, a man of many happy qualities that made people like him. As the writer stood beside his grave as the impressive funeral ritual of the G. A. R. was rendered, the following lines came to him:

Warm summer sun, shine kindly here,
Warm summer wind, blow softly here;
Green sod above, lie light, lie light,
Good night, dear heart; good night,
good night.

Mac Mossman.

Justice Jones' Court.

J. W. Johnson of near Black Hand was arrested on an affidavit subscribed to by Deputy Fish and Game Warden Robinette on the charge of having a black bass in his possession out of season and less than ten inches in length. Johnson appeared before Justice D. M. Jones and pleaded guilty to the charge and was fined \$25 and the costs, which he paid.

A full-grown elephant yields 120 pounds of ivory.

Milady's Boudoir

When the Appetite Strays.

During the summer months there is such a temptation not to eat.

The appetite is often entirely gone, and in most cases fastidious and it is then that one nibbles on a salad or a piece of French pastry.

But one cannot live for weeks on lettuce leaves or ice cream, so it is not always wise to humor the fickle appetite too much. The body requires nourishment in summer, as at other times, perhaps more because the energy is sapped by excessive heat.

After a constant diet of salads and light refreshments of the same nature, one begins to wonder why one has such a weak and tired feeling.

Go back to the diet of meat and hearty vegetables? No, that is not necessary if one's willing to take a substitute. I wish more people realized the value of raw eggs. They are very simple to prepare, much less work than preparing a heavy meal, and just as nutritious as meat.

One must, of course, be sure that the eggs are strictly fresh. Break one in a glass, taking care not to let the white and yolk separate. Tip back the head and quickly swallow the egg whole.

Practice makes this very easy, so do not be discouraged if it seems difficult at first. Two eggs taken in this way before a meal give one nourishment, while the lettuce and tea that follow please the taste and are refreshing.

For those who find it difficult to acquire perfection in swallowing the eggs, another method may be suggested. Put a little vinegar or lemon juice in the bottom of the glass before the egg is broken into it.

This covers any unpleasant taste. Also the egg may be disguised in grape juice. Beat it thoroughly with an egg beater, then add sufficient juice to make the disguise complete. This makes an invaluable drink for invalids.

LOCK

Mr. and Mrs. Frank Munson of Marion called on local friends here last Friday.

Mrs. Frank Quick and son Burny spent Thursday with Mr. and Mrs. Charles Behout near Homer.

Mrs. Nelson Carpentier and children of Fredonia spent Friday with Mr. and Mrs. Newt Shultz.

Mr. and Mrs. Eugene Cornell, May and Morris Mitchell of Mt. Vernon spent Sunday with Mrs. I. E. Mitchell and family.

John E. Quick is under the doctor's care, but better at this writing.

Mrs. Mattie Updike and Miss Jessie Hildreth of Centerburg, Ed and James McBride of Columbus were over Sunday guests of Mr. and Mrs. William McBride.

Mr. and Mrs. John Wilson of Croton called on Mr. and Mrs. Walter Coe, Sunday afternoon.

Miss Fannie Moreland returned home Sunday after a visit with Mr. and Mrs. Lant Llamore of Perrysville.

Ed and Walter Coe were Utica visitors recently.

ION-O-LEX

Stops Inflammation

In Tonsillitis, Pneumonia, Bronchitis, Sore Throat, Croup and other similar throat and lung diseases, if you can stop the inflammation you cure the disease.

Ion-o-lex stops inflammation. That is all it does—just stops inflammation.

But think what that means. Ninety-nine of all diseases are of an inflammatory nature—burns, scalds, bruises and other everyday ills are inflammation.

Ion-o-lex stops the inflammation. And Ion-o-lex is not a drug—it has no narcotics or opiates in it—it is absolutely harmless—and it does not interfere with any other treatment.

Two forms—Ion-o-lex Liquid for internal use and Ion-o-lex Unguent for external use.

For sale by

Evans' Cut Rate Drug Store

and other prominent druggists.

DAMAGE CASE

BEFORE COURT AND JURORS

PLAINTIFF ASKS FOR \$395 FOR DAMAGES RECEIVED IN COLLISION.

Motions for New Trials Will be Called Friday Morning—News of the Various County Offices.

On Wednesday morning, in common pleas court, the court and jury resumed the hearing of the testimony of witnesses in the case of Thomas H. Randall vs. the Ohio Electric railway company.

Plaintiff asks for \$395 damages for personal injuries received in a collision between a wagon in which he was riding and an electric car, at Kirkersville, in October, 1914. A verdict is not expected before Thursday.

Next case for trial Emma E. Noland vs. Edson C. Jones and Henry Fitzsimmons vs. Wm. A. McDaniels. All motions for new trials will be called on Friday morning at nine o'clock.

Juvenile Court.

Thomas A. Lee, of Columbus, was brought into court today on the charge of contributing to the delinquency of a fourteen year old girl. He demanded a jury trial and the case was postponed until Thursday morning, May 26, at 9 o'clock. Lee was remanded, the bail being placed at \$200.

Damage Suit.

Thomas Johnson has filed a petition in common pleas court against George Clark, Wilson F. Gault and Gertie Eichorn in which he asks damages in the sum of \$10,000 for the alienation of his wife's affections. The parties to the suit reside in Fallsburg township.

Divorce Petitions.

Frank Queen has applied for a divorce in probate court from Ida Queen. The parties were married Nov. 15, 1913. As a result of a former marriage between the couple four children were born to them. The plaintiff claims gross neglect of duty and that defendant is an extravagant housekeeper. He also alleges cruelty in that defendant is quarrelsome and abusive.

Minnie Conklin has filed a petition in probate court against Earl Conklin. The parties were married Feb. 18, 1910, and are the parents of five children. The petition alleges that the defendant abandoned plaintiff Nov. 15, 1915, and has since refused to support her and their children. She also alleges that defendant frequently assaulted her, striking, beating and locking her out of the house.

Plaintiff asks for a divorce and the care, custody and control of the minor children.

Personal

Frank Tewel of Toledo is a business visitor in Newark today.

Mrs. Julia Strum, formerly Virginia Dadsell, is visiting in Newark. Mrs. Strum resides in Cincinnati.

Miss Bessie White of Columbus, is spending the week with her sister, Mrs. Blanch Trish.

Mr. and Mrs. Connors of Eighth street are spending the day in Columbus.

Mrs. E. E. McCamie and Mrs. Daniel Hayes of North Fourth street are spending the day in Columbus the guests of Mrs. Hayes' daughter, Mrs. Frank Douce.

Mr. and Mrs. Nick Savey will go to Logan, O., Thursday to spend a few days with Mr. Savey's parents.

Miss Laura Sheese, who was called to Glenford by the death of her brother, has returned to her duties at the Meyer & Lindorf store.

Mrs. A. R. Clark of Chicago is the guest of Mr. and Mrs. C. R. Potter of Evanston, Cherry Valley.

Mrs. T. M. Rugg and Mrs. William Larimora of Kirkersville left Tuesday night for Carthage, Mo., for a month's visit with their sister, Mrs. Lydia Penny, and family.

Miss Minnie Taylor of Granville is visiting her sister, Mrs. H. Leist in West Church street this week.

Mr. and Mrs. Roe Emerson have returned home from Philadelphia.

HARMONY

A good crowd assembled Sunday morning and listened to an excellent discourse given by Mr. Harper in honor of Mother's Day. Miss Mr. Harper's sermons, miss something good. Come on, let's have a full house next time.

Mr. and Mrs. Paul Garabrant visited Mr. and Mrs. Reed Thompson near Black Lick Sunday.

Mr. and Mrs. Walter Brown and children spent Sunday with Mr. and Mrs. Chas. Tatham of Outville.

Mr. and Mrs. C. D. Hand, Mr. and Mrs. Walter Liggett spent Monday Newark.

Mr. and Mrs. C. E. Dixon and daughter Edna were guests of Mrs. Ella Brown Sunday.

Frank Shipley and company finished the E. H. Runnels barn Monday.

Mrs. E. H. Runnels wishes to thank her friends and neighbors for their many acts of kindness during her recent illness.

Mr. John Lake is slowly recovering from the slight stroke sustained a few days ago.

Mrs. Bertha Wright and daughter of Newark spent the first of last week with Mrs. John Crouse.

Mr. and Mrs. M. L. Longwell and sons motored to Utica Sunday afternoon.

Mr. and Mrs. Orva Grubb and son Wendell were after church guests of Mr. and Mrs. Forest Hall.

Mr. Harper was entertained at the home of Mr. and Mrs. John Pickering Sunday.

Granville

(Special to the Advocate.)

Granville, May 17.—Council met in adjourned session on Tuesday evening with all members present except one, and with Mayor Coons in the chair. Two ordinances were passed for street paving, Main and Cherry streets, being the ones voted upon. Main street leads to the T. & O. C. depot, Cherry street connects with the Columbus pike, both being therefore important thoroughfares, which, it is highly fitting should receive first consideration. The Ohio Electric franchise ordinance was introduced but was not passed, council reserving the right for further deliberation on the matter.

The hostesses for the Ladies' Social Union next Friday afternoon, May 19, will be Mrs. Joseph Harrington, Mrs. W. J. Livingston, Mrs. Thomas Moody, Mrs. August Odebrecht and Mrs. F. B. Wiley. They have invited Mrs. George Reece, formerly Miss Laura B. Parsons, teacher of art in Shepardson college, to give a talk on "A Few of the Great Pictures and Why They Are Great." A large attendance is expected for both the social hour and the business session which precedes it at which the president, Mrs. C. W. Chamberlain will preside. Come at 2:30 and spend the afternoon. Needlework is in order.

The regular meeting of the Bible School of the Baptist church will be held this evening at 7 o'clock in the primary room. A full attendance is requested.

Mr. C. D. Slack, cashier of the Granville bank, accompanied by Mrs. Slack, left this morning for an automobile trip to Washington, D. C., where they will visit their son-in-law and daughter, Mr. and Mrs. O. H. Burris. They will go via Pittsburgh and have planned to be gone about two weeks.

Mr. Chester Montgomery and Mr. Burton Case motored to Buckeye Lake yesterday where they joined Dr. J. W. Rohrer, his brother, Rev. F. Rohrer, Messrs. Fred Hobart and Bert Ewart at the latter's cottage for a day's fishing.

Mrs. Roe Morrow was one of the grown-up guests at the children's party given yesterday afternoon by Mrs. Harbottle at her home in Hudson avenue, Newark, from 10 o'clock a. m. to 1 o'clock p. m.

At Recital hall this evening at 8 o'clock the graduating piano recital of Miss Mabel Mead Jones will be given.

The employment bureau of Denison University which advertised for jobs for students who are helping themselves through college, seems to have suspended operations. The dust and disorder of house cleaning have pulled upon the erstwhile busy youth—who stand upon their inalienable right "to work or not to work," according to their own need.

The girls of Kappa Phi sorority entertained about fifteen ladies of the village and the faculty at their pretty home in Cherry street Tuesday afternoon between the hours of 3:30 and 5:30. Tea and sandwiches were served.

The funeral of Mrs. Luella Gurney Rausch, whose death occurred suddenly on Monday evening, will be held Thursday morning, May 18, at 10 o'clock, at her late residence in East Elm street. Interment to be made in Maple Grove cemetery.

Mrs. Prout of Alexandria, a native of Mrs. Rausch, arrived yesterday and assumed charge of affairs.

Prof. Theodore Johnson, who has just returned from the Y. M. C. A. convention at Cleveland, reports a great and inspiring meeting. He said that besides all the other Denison men present from all over the country, there were fourteen Denison Phi Gams who were able to get together during the three days' sessions.

The Sick.

Willis Cooper, who has been a patient at the Newark Sanitarium, was removed to his home in Hudson avenue on Tuesday.

DELIGHTFUL DERMA VIVA THE IDEAL POWDER

Will make the skin as white and beautiful as a babe's. Is absolutely invisible. If your hands, arms or neck are red, brown, dark or streaked, try it once and note the wonderful improvement. In liquid form—flesh and white, 50 cts. In powder form—white, flesh, pink, or brunette, 50 cts. Accept no substitutes.

For Sale By T. J. EVANS.

THORNVILLE

Mr. and Mrs. Ira Fisher were Newark shoppers Saturday.

Luther Lyn was in Hebron Monday.

Isaac Cooperider of Glenford was here on business Saturday.

Elmer Cooperider was in Glenford Saturday evening.

James Snyder drilled a well for the Thornville Banking company. The well is 124 feet deep with fine water.

Hiram Bowman of Malta was the guest of his brother Benjamin over Sunday.

Rev. Mr. Crumux spent several days in Piqua last week.

Miss Bessie Hamby and her nephew Glen Hamby, visited the former's parents at Orient last week.

John Lloyd has been on the sick list for several weeks, but is much improved at this time.

R. B. Rousculp was in Newark last Wednesday.

Mrs. Harry Bope is getting along nicely. Many friends will be glad to know she is up and around the house again.

Walter Crum, Luke Helser, Ernest Mohler are working at Johnstown.

Hazel Lyn of Glenford was the guest of her uncle, C. D. Lyn, last Sunday.

Herman Boring and Silas Kiney were visitors in Newark last Wednesday.

Dr. F. R. Clamson was in Newark last Wednesday.

Rev. C. L. Alspach of Lancaster was the guest of his sister here last Tuesday.

Our Boys and Girls

Mothers must learn to refrain from meddling and let the little ones learn to do their own lessons. When a child has already learned, unfortunately, to ask for help, one must try at once to undo this evil tendency by providing simpler and simpler exercises until, through making a very slight effort "all him self" the child learns the joy of self-conquering and re-acquires his natural taste for independence. Healthy, normal children give no trouble of this kind. The average child always says: "Let me do it." Mothers must learn to be patient enough to let him do it. This is not to be considered "unbridled child liberty," but simply heading him in the right direction.

Everyday Etiquette

"When one is eating with the right hand, should the left hand be kept in the lap under the table?" asked Carl.

"Yes, for it shows a lack of poise for one to be handling the table utensils unnecessarily," replied his aunt.

The Fern Shipping company, in which the Swedish Minister of Marine, M. Brostrom, is the principal owner, has declared a dividend of 216 per cent for 1916. The dividend three years ago was 20 per cent.

(Associated Press Telegram)

New York, May 27.—Indications of profit taking were seen at the opening of today's market, prices showing numerous irregular advances and declines. Motor shares, particularly Studebaker, were lower and industrial alcohol reacted sharply after scoring an initial advance. Crucible Steel maintained similar tendency and other war issues were fractionally lower. Substantial gains in Mexican Petroleum and Texas company suggested improvement in the situation and the strength of mercantile marines denoted further accumulation. U. S. Steel and leading rails were barely steady at the close and declined later with the balance of the list.

Dealings became more restricted and the movement as a whole marginally difficult to gauge after the early recovery. Studebaker extended its setback to over 4 points with further pressure against Baldwin, Alcoa and other metal issues. Other specialties pursued a contrary course. General Electric leading the equipments and industrial, with an advance of 1/2 to 3/4. While the harvest corporation, usually very inactive, advanced 1/2 to 3/4. Reading featured the rails which were inclined to shade with other standard stock at noon.

Bonds were steady with extensive dealings in Anglo-French 5's.

NEWARK, OHIO

CAPITAL
and
SURPLUS
\$250,000.00RECRUITING
STATION MAY
BE ESTABLISHED

Corporal A. M. Zurfluh, of Columbus and Private E. J. Jones, are in the city today in an endeavor to stimulate interest in the securing of recruits for the United States army. They have opened temporary quarters in the Buckeye Club room, in North Park place, and will remain here for a week.

Corporal Zurfluh states that the recruiting has shown a gratifying increase in the Columbus districts in the past week. He further states that if he finds a sentiment among young men in Newark, which would warrant a permanent recruiting station, that such station would be established here.

"My mission in Newark is largely one of dispensing information regarding army life and recruiting requirements," he said. "I shall be glad to furnish to any one in this city any details of U. S. military service or what is required of recruits who are interested."

Corporal Zurfluh has seen service in several branches of Uncle Sam's military establishment. He has been on active duty in the Philippine Islands and holds a sharp shooter's medal.

ROCKY FORK

ORDINANCE NO. 2587.

BY KNAUTH.—

Determining to proceed with the improvement of Harrison street from Fourth street to Fifth street by constructing a drainage sewer.

Be it ordained by the Council of the City of Newark, State of Ohio, three-fourths of all the members elected thereto concurring:

Section 1. That it is hereby determined to proceed with the improvement of Harrison street from Fourth street to Fifth street by constructing a drainage sewer in accordance with a resolution passed on the 6th day of May, 1914, in accordance with the plans, specifications, estimates and profiles hereto approved and now on file in the office of the Director of Public Service.

Section 2. That the cost of said improvement shall be paid by the City of Newark, Ohio, by issuing bonds of the said city, in the manner provided by law.

Section 3. That the Director of Public Service be and he is hereby authorized and directed to make and execute a contract for said improvement with the lowest and best bidder after advertisement according to law.

Section 4. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed May 15th, 1914.

C. R. KELLER, President of Council.

J. S. WOODWARD, Clerk of Council.

Approved by the Mayor this 16th day of May, 1914.

R. C. BIGGEE, Mayor.

RESOLUTION.

BY BEADLE.—

Declaring it necessary to improve South Cedar street from East Main street to Eastern avenue by curbing and paving the roadway thereof.

Be it resolved by the Council of the City of Newark, State of Ohio, three-fourths of all the members elected thereto concurring:

Section 1. That it is necessary to improve South Cedar street from East Main street to Eastern avenue by curbing and paving the roadway thereof in accordance with the plans, specifications, estimates and profiles of the proposed improvement prepared by the Civil Engineer now on file in the office of the Director of Public Service, which are hereby approved which shall be open to the inspection of all persons at any and all times.

Section 2. That the material used in the construction of said improvement shall be asphalt, brick, stone, cement or other material as shall hereafter be determined.

Section 3. That the grade of said street shall be as follows: The grade of the curb and the center line of the street shall be as described as follows: Commencing at the intersection of the south line of East Main street with the north line of Eastern avenue with Cedar street at an elevation of 104.5 feet.

Section 4. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 5. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 6. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 7. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 8. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 9. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 10. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 11. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 12. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 13. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 14. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 15. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 16. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 17. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 18. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 19. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 20. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 21. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 22. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 23. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 24. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 25. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 26. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 27. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 28. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 29. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

ORDINANCE NO. 2588.

BY ADAMS.—

Determining to proceed with the improvement of Eleventh street from West Main street to Granville street by curbing and paving the roadway thereof.

Be it ordained by the Council of the City of Newark, State of Ohio, three-fourths of all the members elected thereto concurring:

Section 1. That it is hereby determined to proceed with the improvement of Eleventh street from West Main street to Granville street by curbing and paving the roadway thereof in accordance with the plans, specifications, estimates and profiles hereto approved and now on file in the office of the Director of Public Service.

Section 2. That the material used in the construction of said improvement shall be asphalt, brick, stone, cement or other material as shall hereafter be determined.

Section 3. That the grade of said street shall be as follows: The grade of the curb and the center line of the street shall be as described as follows: Commencing at the intersection of the south line of East Main street with the north line of Eastern avenue with Cedar street at an elevation of 104.5 feet.

Section 4. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 5. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 6. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 7. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 8. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 9. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 10. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 11. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 12. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 13. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 14. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

Section 15. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections, shall be assessed by the foot frontage upon the lots and lands to-wit: All lots and lands bounding and abutting upon the proposed improvement, which said lots and lands are hereby determined to be specially benefited by such improvement, and the cost of said improvement shall include the cost of printing and publishing the notices, resolutions and ordinances required in connection with the improvement.

CARNIVAL

CROWD WAS LARGE THOUGH TEMPERATURE WAS TOO COLD FOR COMFORT.

Various Shows Did Nice Business and Patrons Generally Were Pleased With Offerings.

That the Hampton's Great Empire Shows, which is the attraction this week at Wehrle avenue and Union street, under the auspices of the local lodge of Moose, is delivering the brand of amusements favorable to the Newark public, was shown last night when the largest second night's crowd of the season visited the carnival grounds. Despite the heavy rain of Tuesday, the grounds were in excellent condition.

The spaciousness of the carnival site is well worth the trouble it takes to reach the grounds. And the high class attraction which form the mid-way, more than compensate for the visit. Last night the car service maintained a better schedule with more cars and the crowd was handled in an excellent manner.

As usual the C. B. Aborgast "Human Silo-Drome" drew large crowds to witness the death defying stunts of Thomas, of international motor-drome fame and his partner Devalo, the man who flirts with death in the execution of the "Dip of Death." These dare devils perform in a bowl

shaped arena 110 feet in circumference, the walls of which are perpendicular.

On a trip through the mid-way the visitor is confronted by the following shows, each a headliner in its particular line: Aborgast and Quinn's Dog any Pony show; Nelbaldian Burlesque and Musical Comedy; King's I X L Ranch and Wild West; Keller Brother's one ring Society Circus; William's Jessie James; Joy Land; The Tiny Princess; Metz 10 in 1 shows featuring Thanutiger, the Hindu Escaped King and the Fat Lady and at the lower part of the mid-way the co-feature of the carnival, the Bowser-Livingston big athletic show. Then for the benefit of the "kiddies" and grown ups, who can waive sea sickness long enough to enjoy the price of the adventure, there is the Merry-Go-Round and the Ferris Wheel.

The carnival offers to the pleasure seeker an evening of high class entertainment as well as instruction. Each of the half dozen wheel concessions give the "chance takers" an opportunity to carry home souvenirs.

DEMAND HIGHER WAGES.

(Associated Press Telegram)

Pittsburgh, May 17.—Demanding higher wages, 225 employees of the cooper works department of the Pennsylvania Salt Manufacturing Co. at Natrona have quit work. The men have had two advances during the last few months but the company refused to accede to their demands this time.

TOURMASTER'S RULES FOR TRIP TO ZANESVILLE

The following rules and regulations for the auto trip to Zanesville Thursday afternoon have been announced by the tourmaster, Dr. J. T. Lewis:

All cars participating in the run must park east of the city building on West Main street, around court house park, North and South Third street, North and South Second street and East Main street.

Chief of Police Shoridan and force of assistants will have complete charge of the lineup and cars must pass the city building in line. Keep in line the same place you start on West Main street at the city building.

The head of the line will wait for the rear just before going into Zanesville.

If you wish to stop for any cause raise arm as a signal and stop on the right side allowing room for cars to pass you to the left. When ready to resume run enter the line at first opening offered.

A speed of not to exceed eighteen or twenty miles per hour will be maintained. It is requested that drivers do not exceed twenty miles per hour on the return trip. All autos will leave West Main street at 12:30 o'clock, prompt.

"HIM'D— FINE FIGHT," SAYS INDIAN SCOUT

(Associated Press Telegram)

Field Headquarters, May 8.—(By Army Motor Train to Columbus, N. M., May 17.)—The high mortality of Mexican bandits in the Ojo Azules fight last Friday when Major Robert L. Howze's command killed 55 Villa bandits, was credited by officers here today in part to the effectiveness of the new army automatic 45-calibre pistol. Most of the fighting was done with pistols by the Americans who ran down the bandits at close range.

The blow from the big 45 lead bullet is said to be nearly sufficient in itself to stagger a horse.

The briefest report of the fight was that brought back by the advanced base by Sergeant Chicken, the oldest of the twenty Apache Indian scouts. No one with this expeditionary seems to know Sergeant Chicken's age which is estimated variously at from 70 to 90. He was in the van during the pistol battle where his experiences were said to be thrilling. When urged to tell what he knew Sergeant Chicken said:

"Him damn fine fight." Further details he refused to disclose.

FIVE REGIMENTS RECRUITED FOR TRAINING CAMP

(Associated Press Telegram)

New York, May 17.—Recruits sufficient to form five regiments of infantry at war strength have enrolled for the summer military training camp at Plattsburg, N. Y., it was announced today. Enlistments thus far total 8,405.

The first senior encampment beginning on June 5, has an enrollment of 1,354 and promises to be the smallest of the series. The junior camp, beginning early in July has 1,919 volunteers, while the second senior camp in July has 2,511.

Indications are that the senior camp to be held in August will be the largest of all as it already has 2,355 enlistments.

Officers of the military training camps association say that applications are coming from the south, west of the Mississippi river Alaska, Panama and Porto Rico.

25 Years Ago

(From Advocate, May 17, 1891.) Mr. and Mrs. Rufus Putnam are visiting here a few days, the guests of Mrs. Putnam's sister Mrs. James Wylie of Locust street.

The many friends of Mrs. Kate Weaver will be glad to learn that she is rapidly recovering from her recent severe illness.

Dr. F. O. Jacobs went on an excursion to Cincinnati this morning.

15 YEARS AGO TODAY.

(From Advocate, May 17, 1901.) Ex-County Treasurer Wm. H. Davy is made a business trip to Sandusky yesterday.

Mr. J. V. Blaney met with an accident Thursday which came near costing his life when his wheel was struck by the Fourth street car but fortunately he jumped in time to avoid being struck.

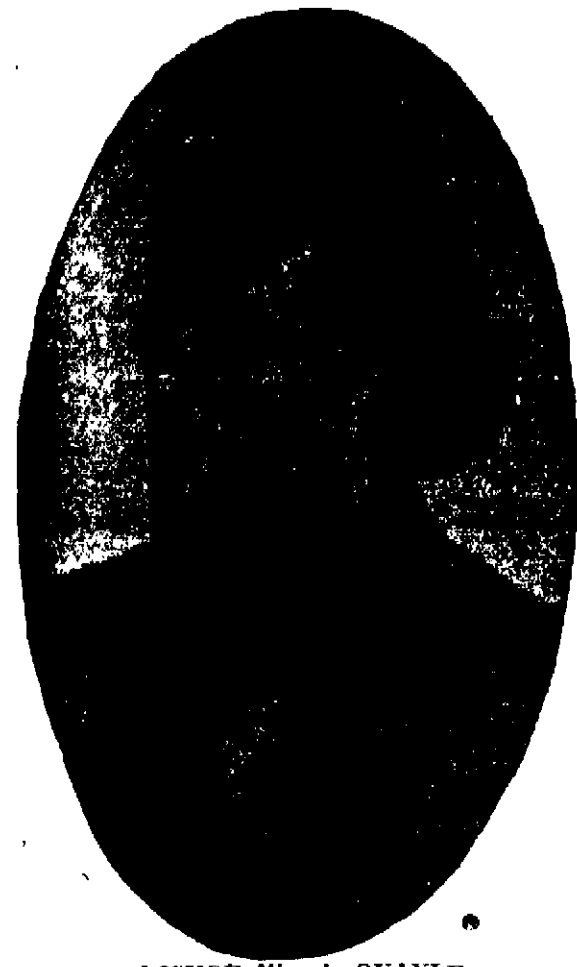

Two fine Auto Coaches will run every fifteen minutes from the Post-office up North Third to Charles and back. It is hoped that this Auto line will be a success.

The World War a Year Ago Today—May 17.

The Germans were forced to withdraw across the Yser canal, in Belgium, from a position won from the French on April 22. The Germans advanced three miles during the attack sprung on April 22, capturing four villages and 1,000 of the allied troops, who had been overcome by volumes of gas. The effect of the gas had disabled the defenders of the line.

Faint heart ne'er won fair lady, at least not without considerable assistance on her part.

BISHOP QUAYLE HERE SUNDAY; WILL SPEAK AT FIRST M. E. CHURCH

BISHOP W. A. QUAYLE

Bishop W. A. Quayle, one of the most eloquent speakers on the platform today, will be in Newark on Sunday, June 4, at which time he will preach morning and evening at the anniversary services of the First M. E. church. On Monday evening, June 5, he will deliver in the church auditorium his popular lecture on "Hamlet." Bishop Quayle is considered a most interesting talker and this is his best lecture.

YOU CAN HAVE PINK CHEEKS

What causes the color to fade from pink cheeks and red lips? In a word it is thin blood.

When the fading color in cheeks and lips is accompanied by a loss of brightness in the eyes and an increasing heaviness in the step, the cause is to be sought in the state of the blood.

A hundred causes may contribute to the condition of thin blood that is known as anemia. Overwork, lack of outdoor exercise, insufficient rest and sleep, improper diet, these are a few of them. The important thing is to restore the blood to normal, to build it up so that the color will return to cheeks and lips.

Dr. Williams' Pink Pills are the great blood builder and invigorator. They begin at once to increase the red corpuscles in the blood and the new blood carries strength and health to every part of the body. Appetite increases, digestion becomes more perfect, energy and ambition return.

A booklet, "Building Up the Blood," will be sent free on request by the Dr. Williams Medicine Co., Schenectady, N. Y. if you mention this paper. Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail on receipt of price, 50 cents per box, six boxes, \$2.50.

BANDITS KILL TEN CHINESE, SAYS REPORT

(Associated Press Telegram)

Columbus, N. M., May 17.—Stories of the murder of ten Chinese merchants of San Antonio, Mexico, by bandits believed to have been followers of Villa were brought to the border today by returning truckmen. According to the stories the Chinese had been selling supplies to the Americans and were killed immediately after the withdrawal of the American troops.

Mexicans in the district occupied by the Americans have been warned that they would be killed if they dealt with the Americans and it is believed that the slaughter of Chinese was intended as a warning to the native people.

Rumors that typhus has broken out among Mexicans at Casas Grandes were received at the base camp. It was said that several stores were closed but no cases among Americans were found.

NEWSIES WILL BE GUESTS OF CLARK FELGAR

There is a treat in store for every newsboy in the city of Newark and one that they will long remember, when they are the guests of Clark Felgar, press agent of the Hampton's Great Empire Show, Friday night. A newsboys' parade headed by the famous Italian band under the direction of Professor Vengar, will form in front of The Advocate office promptly at 6:45 o'clock and march to the carnival ground.

There they will be entertained by Mr. Felgar who will be their host on a visit to the various shows. Every boy will be furnished with a badge and is urged to turn out for the parade. Remember the date Friday, May 19, the time 6:45 p. m. and the host Clark Felgar.

SCHOOL DANCES IN SCANT ATTIRE ENDED BY BOARD

Youngstown, O., May 17.—The Youngstown Board of Education yesterday voted to discontinue aesthetic dancing the local public schools. This action followed the receipt of petitions signed by persons among whom were many prominent business and professional men, protesting against dancing which they asserted did not belong in the school curriculum.

The opposition to dancing developed when nature dances at the South High school, in which daughters of prominent families appeared in scant costume caused a storm of criticism.

MEMORIAL FOR UNION MEN'S SET FOR SUNDAY

The committee having in charge the matter of appropriate memorial services, in honor of the deceased members of the labor organizations of Newark, have completed arrangements for making the coming service, to be held in the High School Auditorium, next Sunday afternoon, the most successful and fitting of any yet held.

As has been stated, the Hon. John A. Voll, of Zanesville, President of the Ohio State Federation of Labor, has been secured to deliver the address, and this of itself should be a sufficient impetus on the part of organized labor and its friends to turn out in large numbers. It is the desire of the Trades and Labor Assembly that every union man and his family in this city attend this service, and it is encouraging to note that with one or two exceptions, the various locals have decided to turn out as organizations, in mass parade and escort the speaker from labor headquarters to the High School Auditorium.

Watch the daily papers, the latter part of the week for a complete program of the exercises. If you are a member of a labor organization be in the line of march, next Sunday, not only as a compliment to President Voll, but to reverence the memory of the departed from the ranks of labor, in a fitting and becoming manner.

TAILOR BURNED TO DEATH WHEN "GAS" EXPLODES

(Associated Press Telegram)

Chardon, O., May 17.—Thomas J. Pentock, 40, a tailor, was burned to death when an explosion wrecked and burned a two-story business block here early today. The blast is supposed to have been due to the explosion of a can of gasoline in Pentock's shop, which was on the second floor of the burned building.

WELL KNOWN COLUMBUS WOMAN SPEAKS.

ITS THE SAME IN ALL OHIO.

Columbus, Ohio.—"Being in a badly run-down condition and nervous and tired-out I used 'Favorite Prescription.' It was called to my attention by an advertisement. I found it overcame my bad symptoms and feelings, and I realized great benefits from it. It is the best medicine of the kind I have ever used and I am very glad to endorse it."—Mrs. HATTIE B. GAMMON, 52 East 11th Ave., Columbus, Ohio.

When a girl becomes a woman, when a woman becomes a mother, when women pass through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Doctor Pierce's Favorite Prescription, an old remedy of proved worth that keeps the entire female system perfectly regulated and in excellent condition.

Mothers, if your daughters are weak, lack ambition, are troubled with headaches, lassitude and are pale and sickly, Dr. Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy.

For all diseases peculiar to women, Dr. Pierce's Favorite Prescription is a powerful restorative. During the last 40 years it has banished from the lives of tens of thousands of women the pain, worry, misery and distress caused by irregularities and diseases of a feminine character.

Dainty, hidden flavors brought out by frying with

CRISCO

For Frying—For Shortening—For Cake Making

The dainty flavors of the food itself predominate, because Crisco does not possess the strong, greasy taste of lard or oil. Hidden flavors come forth, dainty shadings of taste that you had no idea were there.

Croquettes, like all foods fried in Crisco have their own true flavor. That "lardy" taste is absent.

Crisco digests with ease. It is a food fat. The "Crisco Process" has made this possible. It delivers the cream; that is, the richest, most digestible solids from vegetable food oils. Think of the cream from milk or the sugar from cane or beets. Then think of the Crisco cream from vegetable oils. Only the "Crisco Process" can deliver Crisco, the new cooking fat.

Have your grocer send you Crisco today. Try it first for frying, then for shortening and cake making.

KEGAN WILL MEET BOWSER TONIGHT, 8:15

Newark wrestling fans after seeing two performances of the world's champion middleweight wrestler, Paul Bowser, with the Hampton's Great Empire show, are becoming anxious for the start of the game in Newark again. Each day since Bowser has been in the city he has been besieged with questions as to when he expects to leave the show and return to Newark to stage more bouts.

If it wasn't for his contract and the vacation I enjoy with the show, I would be tempted to remain in Newark, as the fans are hungry for wrestling," Bowser said today. "But the box office will be better for me, the game and the fans when I do return to Newark."

Bowser said he expected to leave the company the latter part of September and return to this city. He expects next season to secure a hall to hold men's and boys' wrestling classes in addition to promoting the wrestling shows.

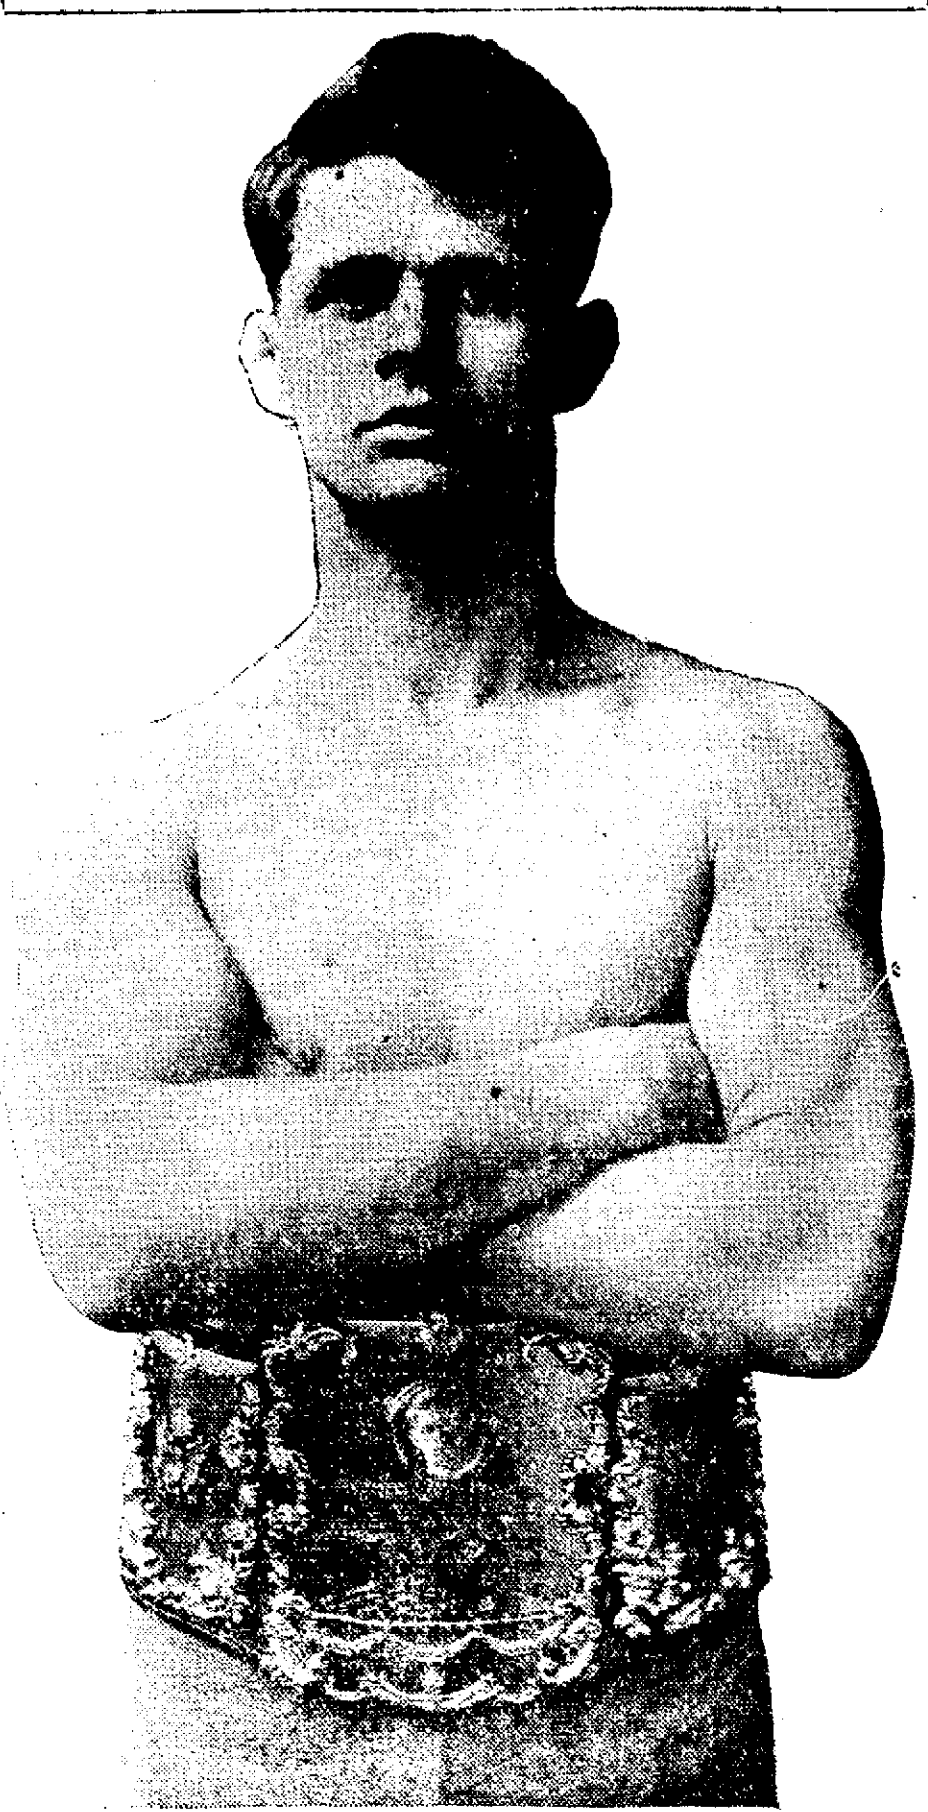

Last night the fans made up for their poor attendance the night before, by turning out in large numbers. The lights Monday night delayed the show nearly an hour and a great many of the fans were under the impression there would be no show. Paul met Harry Pierson, the wrestling fireman from McKee's Rock, Pa., in the second lap of their two night's program. Monday night Bowser defeated Pierson in 23½ minutes and last night it required 12 minutes, before Referee Martin placed the Newark champion on the back.

In the preliminaries, the Teacher Brothers met for the second time this week and went 5 minutes to a draw. Smith and Fishbaugh went on for a 5 minutes draw. Bowser took Walter Keegan on for 10 minutes as a special feature. Keegan will receive \$50 if he wins tonight in addition to his percentage.

For tonight's show Bowser has secured Walter Keegan, world's welterweight champion, for a no-limit bout, one fall to win. Keegan is the man who accompanied Joe Turner to the city the last time Bowser defeated the Washington man, and who caused considerable worry among the fans by his coming of Turner.

The visiting wrestler although lighter in weight than Bowser possesses the qualities to make Paul extend himself and tonight's bout out to be a hummer. Special reservations are made each night for the women fans and the same order is maintained as that which prevailed at all the bouts held in the Auditorium.

BOWSER'S SHOW WITH CARNIVAL IS POPULAR WITH LOCAL WRESTLING FANS

EVERY NATION TO BE REPRESENTED HERE

Scores of Foreign Champions Join Ringling Bros. Circus For American Tour.

Every nation on the globe has contributed at least one new act to the Ringling Brothers' circus this season. From the tremendous fairyland spectacle, "Cinderella," which

thousand characters and the arena numbers embrace almost 400 actors. Thus this season's main tent exhibition is the most extensive ever offered by the Ringling Brothers.

There is Mlle. Lilly Leitzel, who hails from Prague, Bohemia. She weighs less than 100 pounds, is not yet twenty years old, yet is conceded to be the greatest of women aerialists. From Iceland comes Johannes Josefson and his stalwart company of western exhibitions of "Elma," the Norseman's method of self-defense. Among the scores of daring riding acts none contains more thrills than that introduced by Antonio Zingaro and his band of gypsies. The entire tribe pitches camp in the great main tent and give exhibitions of the most startling nature. Other unique equestrian acts are those introduced by the Silas Green family in comedy riding, and the Lloyds in the rides of all nations. Birdie Ford, who performs the tango and other dances on a bounding wire, appears in the same number with Miljares the great South American slack wire balancer. Ernest Clark, whose triple and quadruple somersaults from bar to hands has never been accomplished by any past or present circus acrobat, will be but one of fifty acrobats who will appear. There is the Jansleys troupe who juggle human beings. Quallano's band of Arabs, a company of 30 Chinese mid-air athletes and scores of other splendid artists. Aside from men and women artists there will be Alf. Loy's wonderful dogs, including "Tonque," a canine who leaps like a man, catches knives in his mouth while riding a galloping horse and said to be the most wonderful dog in the world. There will be dogs, cats, rabbits, doves in a remarkable exhibition of dumb brute intelligence, bears and monkeys that skate and play upon musical instruments, and whole bands of knowing Shetland ponies especially trained for the benefit of the youngsters. And there are but a few of the wonders that will be exhibited when Ringling Brothers come here Tuesday, May 28.

Holding Down The Lid On Advancing Shoe Prices

This season the Walk-Over factory has been keeping the lid down on rising prices for men's shoes.

The European embargo on exports of hides and skins, the difficulty in getting ships to bring skins from South America and India, and unusually big exports of shoes and leather goods from the United States—these three causes are making such a scarcity of leather that many shoe manufacturers have been forced either to advance prices sharply or to cheapen the shoes.

All Walk-Over \$4 Shoes are made of Genuine Calfskin, the kind that takes a good polish and WEARS

Over a year ago, the makers of Walk-Over Shoes foreseeing the present shortage, bought a big supply of leather at old prices. This explains why you can get at the Walk-Over Store such good, stylish all-around shoes for \$4.00. Choose your styles in our window.

Don't fail to hear the program ren-
dered by the Standard Bearer Girls
of East Main Street M. E. church, on
next Friday evening, May 19, at the
church, 7:30 p. m. Everybody wel-
come. No admission fee.
Attended Hearing.
William M. Morgan was in Colum-
bus yesterday to attend the hearing
before the Ohio supreme court in
which the workman's compensation
act was attacked by liability insur-
ance companies.
Samaritan Class.
The Samaritan Bible class will
meet Thursday afternoon, May 18,
with Mrs. Jones, 89 Ninth street. A
full attendance is desired.
G. A. R. Committee.
The general memorial committee
for 1916 will meet at G. A. R. hall
tomorrow (Thursday) evening. All
members should be present.
Takes Position Here.
Mr. Fred Wolverton, formerly of
Newark has taken a position as
pharmacist with the T. J. Evans
pharmacy. Mr. Wolverton has been
located in Springfield, O.
Called Away by Illness.
Mr. and Mrs. T. J. Evans were
called to Cumberland, O. today by
the serious illness of Mrs. Evans'
mother, Mrs. W. H. Stevens.
Go to Asheville.
Mr. W. C. Seward accompanied
his son Walter Seward, formerly of
Cleveland to Asheville, N. C. today.
His son, who has been a patient at
Mt. Vernon Sanitarium—is not im-
proving rapidly and goes to Asheville
for the benefit of his health.
Birth Announcement.
Announcement is made by Mr.
and Mrs. William Snelling of 171
Essex street, of the birth of a
daughter on Tuesday.
Missionary Meeting.
The Woman's Home Missionary
Society of the First M. E. church
will hold the monthly meeting on
Thursday May 18 at 2:30 o'clock at
the home of Mrs. John Gorby, 91
Buena Vista street.
Police Court.
Three plain drunks arrested last
night were arraigned in police court
this morning and each handed a fine
of \$5 and costs by the mayor.
Ready to Lay Asphalt.
The Federal Asphalt company, of
Hamilton, announced today that it
would be ready to start laying the
sheet asphalt on Hudson avenue
about Thursday noon. The work
will start at North street and go
south. North Tenth street con-
creted will be delayed several days
longer on account of the delay in
shipment of the concrete to be used
on the street.
Fire at Bottle Works.
A temporary wood structure be-
neath a machine operated by Jake
Homer at the American Bottle
Works plant, this morning caught
fire in some unknown manner and
a call was sent in for the fire com-
panies. Both trucks at Central Sta-
tion responded to the alarm and the
blaze was quickly extinguished.
There was no damage.
Measles Epidemic.
With sixty-eight measles cases
under quarantine at Pindlay yester-
day health officers reported twenty-
seven new cases making a total of
ninety-five cases.
Awarded Scholarships.
Miss Martha Wright, daughter of
Mr. and Mrs. E. C. Wright of Gran-
ville street who is a student at
Smith College has been received in-
to an honorary society in recogni-
tion of her scholarship, and Miss
Betty Jones daughter of Mr. and
Mrs. J. S. Jones of Granville has re-
ceived a scholarship trophy of a sil-
ver cup, for her ability as a student.
Fractured Skull.
J. T. Mason, 40, residing near
Clay Creek, was seriously injured at
Donk, when he fell in front of the
Crane-Krieg store in South Park
Place as the result of one of his
ankles turning. His head struck the
hard stone cutting a deep gash and
rendering him unconscious. He was
rushed to the City Hospital in Criss
Brothers' ambulance where an ex-
amination disclosed a fracture of the
skull. He is being attended by Dr.
W. H. Knauss.

MISS EDNA LUTZ
IS MUCH BETTER
Kept From Work by Grip, But Nerv-
ous Let Her Get Busy
Again.
Here is a most important message
to nervous, overworked young folks
from one of their number, who is
well and favorably known in the
neighborhood, her home being on
Marietta road, Route 7, Zanesville.
She is a valued employee of the Na-
tional Biscuit company of that city.
These are Miss Lutz's words, over
her own signature:
"I am glad to state that I am
able to resume my duties in the
cake department of the National Bis-
cuit Co. after being compelled to re-
linquish my work for nearly two
months.
"I had the grip, which left me in
a very nervous and debilitated con-
dition. I tried several remedies with-
out effect.
"My friends advised me to try
Nerv-Worth. I sent to Bailey's drug
store on Main street and secured a
bottle. After taking one-half of it,
according to directions, I found I
was improving and by the time I had
finished one bottle my nerves were
steady, my stomach relieved, my di-
gestion normal and I felt strong and
vigorous.
"I advise anyone in a similar con-
dition to take Nerv-Worth and es-
pecially young women.
(Signed) "Miss Edna Lutz."
Druggist T. J. Evans, Hotel War-
den Block, sells Nerv-Worth and
will hand your dollar back if this
wonderful Family Nerve Tonic un-
expectedly fails to help YOU.
5-15&17

nounced that bids for furnishing
290,000 license number plates for
use of the department during 1917
will be received until noon, June 10.
SENATE TO ACT
NEXT WEDNESDAY
ON BRANDEIS.
(ASSOCIATED PRESS TELEGRAM)
Washington, May 17.—The nomi-
nation of Louis D. Brandeis to the
supreme court will be acted upon by
the senate judiciary committee next
Wednesday. By unanimous consent
the committee decided today to vote
at that time.

The Graduation Gift
One of the most notable occasions
in a person's life is Graduation
time—and your gift should be one
that the graduate will cherish in the
years to come.
You will find in our store a
wealth of suggestions for appropri-
ate and pleasing gifts—and many
articles of practical use.
Nor is it at all necessary to pay a
big price for a suitable present for
in almost every department our
range of prices start at 50 cents,
so the demands of every one may be
satisfied. And there is an ultimate
satisfaction in giving a present of
highest quality whether you spend
one dollar or many.
We also show an elegant line of
watches and wrist watches and will
offer you exceptional values.

When Your Eyes Need Care
Use Marine Eye Medicine. No Smarting—Feels
Fine—Acts Quickly. Try it for Red, Weak,
Sore Eyes and Granulated Eyelids. Marine is
compounded by our chemists—not a "Patent
Medicine"—but used in successful Physicians'
Practice for many years. Now dedicated to
the Public and sold by Druggists at 50c per
Bottle. Marine Eye Salve in Ascorbic Tube
50c and 50c. Write for Book of the Eye Free.
Marine Eye Remedy Company, Chicago. Adv

A SURE GERM KILLER
Druggists here are selling hysolite,
a wonderfully effective antiseptic and
germ killer. It is powerful, yet abso-
lutely safe, because it is not an acid
and cannot stain or blister. It simply
acts quickly in all cases of infection.
Too much care cannot be given to
scratches, bruises, or hurts. Hysolite
should be in every home and applied
quickly when accidents occur. It is
pure, dependable and can be used for
many purposes right in every home.

CLERKS' UNION HOLDS BANQUET; 150 ARE PRESENT

"Every one of you has an opportunity to serve his fellowman from behind the counter," said Rev. Don D. Tullis last night in a address to 150 members of the retail clerks union who attended a banquet in the parlors of the First M. E. church. The banquet was graced by the presence of the wives and sweethearts of the members of the union. E. E. Baker, of New Philadelphia, district organizer for the clerks union and W. M. Morgan of the Trades and Labor Assembly, also delivered addresses.

Mr. Tullis spoke in a happy vein throughout the evening. He explained with a clever story, that he "squeezed" into a clerk's banquet by reason of his past experience as a salesman.

Being the son of a country merchant, he has had a long and varied experience behind the counter. He spoke of ascending the scale of salesmanship from the country store through stores dealing in hardware, shoes, haberdashery, etc., until he graduated to a dry goods store. Then he humorously related some of his experiences in dealing with customers in the dry goods emporium.

Taking up a more serious phase of the work, Mr. Tullis emphasized the need of united effort as exemplified in the organization of the clerk's union. He said organization was necessary to realize the highest ambition in any vocation.

"You are able to serve better by being organized," he said. "You all have splendid opportunities to serve your fellowman from behind the counter."

Early in my experience, I was taught the value of courtesy, not the suave, taffy sort, but the real courtesy which every one of us can extend to those with whom we must deal, without compromising ourselves or appearing meek.

Mr. Morgan talked to the clerks on the subject "The Benefits of Social Relations." He recalled the things accomplished by the clerks since the union was organized. He told of the cordial relations existing between employers and the union. His talk was a strong plea for unionism.

E. E. Baker who is district organizer for Ohio, talked entertainingly upon the future things to be accomplished by the union. He mentioned the important legislation passed in recent years of benefit to toilers, which was secured through the co-operation of union men, and which he declared, could have been secured in no other way. He urged a more frequent attendance of meetings on the part of the members of the union.

The dinner served by the ninth division of the Women's Guild of the church was excellent, the service prompt and efficient, a feature much appreciated by the guests who did ample justice to the menu.

Calcium's Value in Tuberculosis

As a tonic and remedial agent in the treatment of tuberculosis, this element is being studied by scientists and physicians everywhere.

For more than two decades users of Eckman's Alterative have tested its efficacy in such cases, for calcium chloride is one of the chief constituents of this preparation, which has produced beneficial results in thousands of instances. And in this form it is so combined as to be easily assimilated.

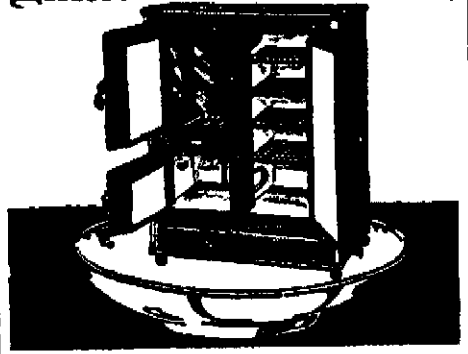

If you are thus afflicted, a trial may prove this to be just what is needed to assist Nature in bringing about a return to normal health.

It is safe to take, because it contains no poisonous or habit-forming drugs of any sort.

At your druggists.

Eckman Laboratory, Philadelphia.

THE BATTLE FOR HEALTH

Best Tonic to Gain Fighting Strength Is Father John's Medicine.

In the struggle for health and renewed strength Father John's Medicine is the best tonic and body builder for those who are weak and run down because it is pure and wholesome nourishing food which makes new flesh and strength without using alcohol.

No Alcohol or Dangerous Drugs

PARENTS HEAR PROF. PEARSON AT HIGH SCHOOL

State Superintendent of Public Instruction Gives Splendid Talk, Features of Patrons' Week.

Great interest was manifested in the programs in the public schools on Tuesday afternoon in connection with patrons' week which is being observed. Most of the buildings were crowded with the parents and those interested in the children and their work, and the little sketches, songs and dances were admirably done.

The schools were dismissed at 2 o'clock in order that the teachers and others might attend the lecture given by F. B. Pearson, state superintendent of public instruction. Mr. Pearson spoke in the High School auditorium to a large assemblage, the auditorium being crowded there being about 600 patrons, aside from the High School students, in attendance.

Wilson Hawkins, superintendent of the local schools introduced the speaker, who chose for his subject, "The Relationship Between the Home and the School." Mr. Pearson emphasized the relation and co-operation that should exist between the parents in the home and the instructors in the school.

The parents should strive to instill into the minds of the children high ideals, which will be steadfast during their school life. And this should also be reversed, the school should aim to present a higher purpose in life for each student which should reflect in the home. Mr. Pearson dwelt at length on the value of a clean upright life and how the parents should furnish an inspiration for such a life to their children. He pointed out the dire results for any who failed to live in such a manner.

The address was resplendent with good thoughts, and Mr. Pearson presented them in a clear, concise way.

Preceding the address, the High School orchestra under the direction of Prof. Klopp, gave a fifteen minute musical program which was greatly enjoyed, and gave further evidence of the progressive ability evident in the schools.

FLAG DAY TO BE OBSERVED IN THIS CITY

A flag to be raised over every home in Newark on Wednesday, June 14!

That will be the slogan of Newark Lodge of Elks, No. 391, which expects to properly and fittingly celebrate the anniversary of the adoption of the American flag, the greatest of all emblems, revered by every true American and respected by every nation of the world.

At a meeting of the local lodge of Elks last evening, a committee consisting of the officers of the lodge, Exalted Ruler Walter Daugherty, Esteemed Leading Knight John M. Ankele, Esteemed Loyal Knight Paul Morrison, Esteemed Lecturing Knight Rollin Baird, Secretary R. L. Rhodes, Treasurer W. W. Gard, Tyler Charles J. Allen, Inner Guard Gus Weigand, Esquire Homer Glancy, Chaplain David Thompson and Organist Howard Keller, together with Frank S. Neighbor and Harry D. Hale were appointed to make arrangements for the proper celebration of Flag Day.

The High school auditorium has been secured for the evening of June 14, and an excellent program will be carried out. The hall and stage will be nicely decorated and the musical program will be made a special feature, both vocal and instrumental. A speaker of national prominence will be secured to deliver the oration and the occasion will be made one which will long be remembered.

The committee has decided to offer a first prize of \$3 and a second of \$2 for the best essays on the American Flag by the pupils of the sixth, seventh and eighth grades of the public schools. Like prizes will be offered the pupils of St. Francis de Sales schools and the school of the Blessed Sacrament in East Newark. The rules for the same will be announced later.

The public will be invited to attend the exercises at the High school in the evening and the lodge will conduct exercises in their quarters in the afternoon.

Flag Day is being more and more observed every year and Newark will not be lack in that respect. The Elk lodge will inaugurate its observance this year and it is expected that it will be continued each year hereafter.

BAND IS READY FOR THE TRIP TO ZANESVILLE

The Buckeye band held an excellent rehearsal in their quarters last evening preparatory to accompanying the autoists to Zanesville Thursday afternoon. There will be twenty men in line and the band will go to the Clay City on the big R. W. White lumber truck, which will be especially arranged for the occasion.

Col. Robert Dold, business manager of the band stated that they had received assurances from their brother musicians of Zanesville that there is going to be something doing every minute in the afternoon. The band boys have a number of new selections and they are going to give several delightful concerts in the Muskingum county capital.
